LEGAL / PUBLIC NOTICES

LEGAL NOTICE:

In reference to the divorce filing of Marina A. Roberts and Jordan Roberts Case # 49D14-1808-DC- 032739 I, Marina A. Roberts, filed for divorce from Jordan Roberts, on 8/20/2018 in Marion County, Indianapolis, Indiana, after being separated since the summer of 2018. The courts tried to serve divorce papers to him (Jordan Roberts), but was unsuccessful. He is knowledgeable through phone calls on the filing and suggested signing papers, but that too has been unsuccessful. I'm paying for this legal notice to be published in three publications for three weeks in hopes of this reaching him so that this marriage can be dissolved. If he doesn't reach out, I'm asking the judge to grant this request and dissolve this marriage. Sincerely, Marina Roberts

Strange BUT TRUE

By Lucie Winborne

* To maintain the historical accuracy of the American Colonial era, Disney World's Liberty Square was built without any restrooms. (But no, you won't find any outhouses, either.)

* The character of cross-dressing Corporal Klinger on the TV series "M*A*S*H" was

allegedly influenced by comedian Lenny Bruce's claim that he was discharged from the Navy for saying he had "homosexual tendencies."

* Eberhard Anheuser, cofounder of the Anheuser-Busch brewery, got his start in manufacturing with soap and candles.

* Due to a technical glitch in his debit card payment processing, a man was accidentally charged 23 quadrillion dollars. As if that wasn't bad enough, since he didn't have the amount in his account, he was also charged a \$15 overdraft fee!

* Carnauba wax, which is used on cars, is the same type of wax used to give gummy candy its sheen.

* To add authenticity to a fictional

criminal underworld, Rockstar Games hired real-life gang members to voice background characters in Grand Theft Auto V.

* One-third of men's fragrances sold are actually worn by women.

* Amethysts got their name from the ancient Greek word "amethystos," meaning "not drunk." They were once believed to prevent intoxication.

* The "little black dress" was compared to the Ford car when it debuted in 1926, for its practicality and simplicity.

Thought for the Day:
"Never rob your character to enrich your pocket."

HOROSCOPE

ARIES (March 21 to April 19) A change that you hoped for is coming down the line, but you still need to be patient until more explanations are forthcoming. Continue to keep your enthusiasm in check.

TAURUS (April 20 to May 20) Your social life expands as new friends come into your life. But while you're having fun, your practical side also sees some positive business potential within your new circle.

GEMINI (May 21 to June 20) Your workplace situation continues to improve, but look for advantages you might have missed while changes were going on around you. A trusted colleague can help.

CANCER (June 21 to July 22) Resist the urge to hunker down in your bunker until things ease up. Instead, get rid of that woe-is-me attitude by getting up and getting out to meet old friends and make new ones.

LEO (July 23 to August 22) Now that you're back enjoying the spotlight again, you should feel re-energized and ready to take on the challenge of bringing those big, bold plans of yours to completion.

VIRGO (August 23 to September 22) A former friend would like to repair a relationship you two once enjoyed. Your positive response could have an equally positive impact on your life. Think about it.

LIBRA (September 23 to October 22) Resist making impulsive decisions. Stay on that steady course as you continue to work out workplace problems. Be patient. All will soon be back in balance.

SCORPIO (October 23 to November 21) You might feel confident about taking a promising offer, but continue to be alert for what you're not being told about it. Don't fret. Time is on your side.

SAGITTARIUS (November 22 to December 21) People dear to you might be planning a way to show appreciation for all that you've done for them. Accept the honor graciously. Remember, you deserve it.

CAPRICORN (December 22 to January 19) Congratulations. Your self-confidence is on the rise. This could be a good time to tackle those bothersome situations you've avoided both at home and at work.

AQUARIUS (January 20 to February 18) You feel obligated to return a favor. (Of course, you do.) But heed advice from those close to you, and do nothing until you know for sure what's being asked of you.

PISCES (February 19 to March 20) Your loving reassurance helped revive a once-moribund relationship. But be wary of someone who might try to do something negative to reverse this positive turn of events.

BORN THIS WEEK: You are a wonderful leader who can foster community and bring people together to form long-lasting relationships.
