## McClure plays key role in coordinating IPS historic digital project

By Al Stilley  
Editor

Russell McClure

Southport's Russell McClure expressed his enthusiasm a few years ago of a project that would digitize thousands of blueprints, drawings, photographs and other documents of Indianapolis Public Schools that eventually could be viewed on the Indianapolis Public Library's Digital Indy website.

Digital Indy team began coordinating with McClure, AICP, of IPS' Facilities Management Division which provides planning of schools and facilities because one of his smaller roles is the "keeper" of those items. As a certified planner, McClure had a high interest in the project.

Materials were selected for the digital collection from more than 100 IPS elementary schools, high schools, and other properties. Then the team worked with Easterseals Crossroads to digitize the materials.

The Indianapolis Public Schools Architecture Collection is a reality and is now available through IndyPL's Digital Indy archive and content that may be printed or downloaded free for personal use, study, or research, according to a recent news release.

"Being involved in this excellent project was a lot of fun, although we had to establish a cut-off date," McClure said. "So many of the items, especially the blueprints of school buildings, are really works of art that now can be viewed digitally by all."

The IPS architecture collection actually spans three centuries and includes documents from the 1890s through the 1970s.

McClure and those who took part in the project revealed that the collection shows the educational priorities of the various time periods in the design of the buildings and how they were used. Some of the blueprints were four- to six-foot wide, he said. The items were taken to an off-site facility that had a flat-bed scanner.

Various school floor plans show that classrooms were devoted to various subjects during certain time periods; for example, clothing laboratories, cabinet making shops and many other subjects are either hard to find or aren't taught in today's public schools. Coal storage rooms are part of the older blueprints.

More than 5,000 blueprints, including architectural, mechanical, electrical, plumbing, HVAC, and landscape technical drawings, were selected to form the core of the digital collection.

To supplement the architectural drawings, over 300 aerial and building photographs and more than 1,000 pages of other documentation were included to show the process from design through construction to functional building. Additional documents will be added during the coming months.

The collection has been preserved in large part due to the IPS Facilities Management Division and will continue to be stored on IPS grounds.

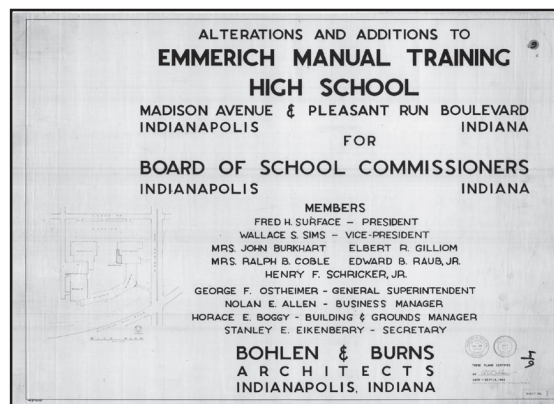

McClure said that some of the more popular documents are the various school directories with photos of teachers and students. The division has handled numerous requests for those items.

McClure has been involved in civic affairs in Southport and is a former mayoral candidate. He chairs Southport's Redevelopment Commission and recently became a member of the Southport Police Department.

"The architecture depicted in this collection is the physical manifestation of the complicated history of the IPS school system at large," said Indianapolis Public Library's Digital Projects Coordinator Katie Farmer in the IPS news release.

"The priorities of society and culture are reflected in how the educational system developed and evolved."

The digitization of the materials was made possible by a \$1.8 million grant from Lilly Endowment Inc. to the Indianapolis Public Library Foundation.

IPS first reached out in 2016 with the vision of digitizing the archives and records of Indianapolis Public Schools, according to Zachary J. Mulholland, executive director of operations at IPS.

"It has been an incredibly rewarding journey to see the results of the tireless efforts of the digitization team to bring over a century of IPS history from dusty storage rooms and long forgotten filing drawers, and make them accessible to the world," Mulholland said.

## Decatur Township

Decatur Township was erected as a township of Marion County in 1822, and was named after Stephen Decatur, a Naval hero from the War of 1812. School being taught in the township is recorded back to the winter of 1824-25. The first schools were founded and maintained by churches within the community, and it wasn't until the 1870's that the township trustee and taxpayers took over responsibility for the schools. The township had two high schools one on the north side of the township, Valley Mills High School, and another on the south side of the township, West Newton High School.

Decatur Central High School can be viewed online at: [digitalindy.org](http://digitalindy.org). Below are a few covers from the 2005 yearbook.

Under new management

(SUBMITTED PHOTO) Marianna Foulkrod, director of service learning and community engagement at the University of Indianapolis leads her service learning class onsite at Bethany Community Gardens with a planning meeting for the upcoming Southdale Neighborhood Association Culture Festival.

Families throughout the Southside are urged to attend a free community-wide cultural festival of food, music, and fun Saturday, Nov. 5 at Bethany Gardens.

The public event is from noon to 4 p.m. at the gardens at 4702 S. East St., just southwest of I-465 and US 31 South. Presenting partners are the Southdale Neighborhood Association, City of Indianapolis, and the University of Indianapolis.

Admission is free with ice cream, popcorn, kid's activities, face painting and fun. The event presents neighbors with a great time to meet each other in a festive gathering.

Of importance, families can learn about city services, resources, and progress on I-465 widening and improvements on the Southside as well as improvements to the Harding Street / I-465 interchange and the new I-69 interchange with I-465 east of White River.

The Southdale Neighborhood Association serves neighbors within the boundaries of I-465, Madison and Edgewood avenues, and Harding Street.

Southdale's goal is to bring all community members together, enhance the quality of life, advocate for neighbors, inform, network and provide safety education.

This event also encourages neighbors to attend monthly meetings of the Southdale Neighborhood Association on the first Thursday of each month at 7 p.m. at Bethany Gardens and Bethany Lutheran Church at 4702 S. East St.

### THE BEAUTY OF FALL

I really enjoyed the weather this past weekend. The trees in our neighborhood were beautiful and it was wonderful to be outside.

A few days before the weekend, we had some visitors. One morning, I was sitting in our sun room watching the morning news when I saw some movement in our backyard. I looked closer and saw six deer walking up from our little creek and working their way to the west.

They were walking in a straight line and the leader was the largest deer. They moved through our property to visit our neighbor's garden.

It was a bit difficult to see them after they arrived at the garden. I suspect they were enjoying a nice breakfast.

The deer have appeared a couple of more mornings. A couple of them have ventured close to our house. The sudden appearance of these animals has happened in past years. It seems to happen around the start of deer hunting season. These animals must have a way of knowing about hunting season and also know of areas that will likely not have hunters around. Neighborhood backyards seem to be exactly where they like to hang out during deer hunting season.

I noticed that our chickens watched the deer very closely. The chicken girls were in their fenced-in area and the deer didn't seem to pay any attention to them. They seem okay with each other.

I bet the horses that reside on the other side of the fence just North of us were surprised to see a small group of deer checking out everything in our neighborhood.

I was driving west on Banta Road over the weekend and passed a property that the owners had been watering their lawn. There was a large water puddle along the side of the road. Inside of that puddle and all around it was about 20 robins.

Some of the robins were drinking or taking a bath. Some were looking for something to eat in the yard. I'm thinking they all were preparing for their migration to the south. They must send all their belongings by FedEx because I saw no boxes or suitcases with them. I will be looking forward to seeing them on their return next spring.

For the past few years, we have had a couple of robins that must live close and enjoy our front yard. I enjoy sitting outside and watching them. It is also fun to watch them check us out as we back out of our driveway. They always stop what ever they were doing and carefully watch as we drive away. They also stop and watch when we return.

Last spring, my wife, Lyn planted some flowers by our driveway near our front sidewalk. They are small blue flowers and the plants have lots of the blue flowers on them. One day as I was sitting outside watching the robins, I noticed a beautiful Monarch Butterfly that was really enjoying those little blue flowers.

That evening, I asked Lyn about those flowers and she told me they were Lantanas. Last weekend as I was sitting near them, I spotted several Monarch Butterflies dancing around the flowers. I figured they are also getting ready for their migration to Mexico soon.

It is also lots of fun to snap on the outside lights early in the morning before daylight and see the opossums and raccoons scamper from under the wild bird feeders back down to the creek.

We have a very interesting yard.

A retrospective glance at the Southside  
From *The Spotlight* and  
*The Southsider Voice* archives

### 60 Years Ago This Week - 1962

In recognition of its quality photographs and well-written articles, the "Ivian," Manual High School's yearbook, received an all-American rating from the National Scholastic Press Association.

The Southside Mothers of Twins held a wiener roast at Garfield Park.

Manual students Tom Bonar, Dan Mack and Jayne Perkon participated in a class at John Herron Art School.

Friedens United Church of Christ, located at Parkway and Alabama streets, celebrated its 50th anniversary and laid out plans to relocate and build a new worship center at 8300 S. Meridian St.

Dr. Robert Mouser was named chairman of Marion County's Diabetes Detection Week campaign.

### 50 Years Ago This Week - 1972

The Indianapolis-Marion County Library's board of directors OK'd preliminary blueprints for the \$500,000 Southport Library.

A new flag commemorating the 455th anniversary of Protestant Reformation flew over Resurrection Lutheran Church, 455 E. Stop 11 Road.

The Indianapolis Symphony Orchestra offered a three-concert package deal for \$10.

Boy Scout Troop 108 hosted its 15th annual barbecue at Holy Name Catholic Grade School.

### 40 Years Ago This Week - 1982

The archives from 1982 were ruined when *The Spotlight's* lower level was flooded in June of 1992.

### 30 Years Ago This Week - 1992

Indianapolis City-County Councilor Beulah Coughenour was named to the National Association of Counties Environment, which formed the policy-making arm of county government. Councilor Philip Borst announced that the Southside would receive more than \$500,000 for capital improvements.

Behind the leadership of field commanders Jennifer Simon and Norm Thoenig, Center Grove High School's marching band placed third in the Indiana State School Music Association finals at the Hoosier Dome.

The Marion County Health Department held an open house at its new district office, 505 E. National Ave.

### 20 Years Ago This Week - 2002

The football teams from Perry Meridian and Franklin Central entered sectional play with 8-0 records. At the other end of the spectrum were Southport (1-7) and (Beech Grove (1-8).

Eric Kohlman, son of Wade and Carol Kohlman and grandson of Carl "Doc" Kohlman, earned the distinction of becoming an Eagle Scout. He attained Scouting's highest rank by completing a service project that included gathering rocks and fossils for a study area in the outdoor lab at MacArthur Elementary School.

Dr. Jay Hill, a 1970 graduate of Southport High School who taught at North Central, published "The Gentlemen's Society of Angling," which told the story of how the lives of five men were connected through their love of fly fishing.

Lutheran senior Erick Miles was inducted into the National Society of High School scholars.

Members of Perry Meridian High School's marching band received their new uniforms.

Christian vocalist Cherie Adams headlined a concert at the University of Indianapolis to benefit victims of the Sept. 20 tornadoes that blew through the Southside.

The cross-country team from Perry Meridian qualified for semistate. The squad featured (front, from left) Rachel Terlep, Nikki Tackett, Nicole Grillo, Melenda Hawthorne, Kelsey Gurganus; (back) Britany Moore, coaches Mike Armstrong and Howard Ely and Jennette Schoettle.

FOOTBALL: SECTIONALS

# Defense, big plays enable Saints to roll

By Steve Page  
Correspondent

After a slow start, Lutheran's offense rediscovered its magic at home Friday night.

Sophomore quarterback Jackson Willis completed 12 of 17 passes for 235 yards and four touchdowns. Senior Micah Mackay caught five of those for 164 yards and two scores. Senior running back Joe Davis averaged 6.6 yards per rush, totaling 126 yards and scoring twice.

But the real story from the opening round of the Class A Sectional 47 may well have been the Saints defenders.

They were facing an offense of ninth-ranked South Putnam that was scoring more than 42 points per game behind sophomore quarterback Wyatt Mullin, who had passed for 1,164 yards and 15 touchdowns and rushed for 296 yards and eight more TD's.

The Eagles did not score Friday, their yardage was limited, and Lutheran rolled to a 42-0 victory.

Top-ranked Lutheran, now 10-0, advances to the Oct. 28 sectional semifinals, where it will host 1-8 Cloverdale, which drew a first-round bye.

"Our defense tonight was phenomenal," lauded Saints coach Dave Pasch. "That's a really good offense. They were scoring almost 50 points a game. We talked with our kids all week about doing their job, having composure, being poised, understanding they're going to make plays, because they have athletes."

"Our coaches had a great scheme. We told our kids 'Just do your job. Don't give up the big play. Make them earn everything.' Stellar. Stellar."

Junior outside linebacker Jonny Hall had five solo tackles and four assists and intercepted two passes. Another senior linebacker, Spencer Bauer, had four solos and three assists. Four other Saints finished with five tackles: freshman defensive tackle Cameron McHaney, junior defensive end Gavin Mimms, junior defensive tackle Jack Beard and senior defensive tackle Louis Mobley.

Though they ran more plays, 67-43, the no-huddle Eagles managed just 165 total yards. The Saints limited Mullin to 10 completions in 27 attempts for 83 yards. Though he ran a lot laterally, senior running back Luke Switzer averaged just 2.6 yards on his 23 rushes.

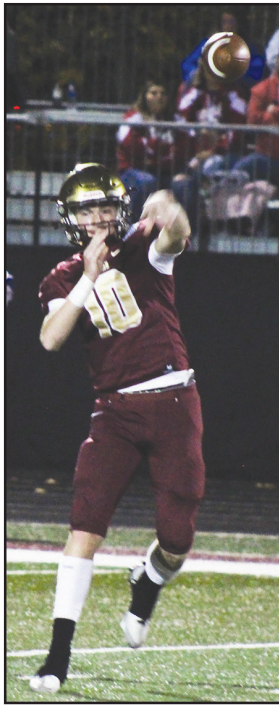

Then there was Lutheran's explosive offense.

After stopping the Eagles' second possession on downs at the Lutheran 36, Willis found Mackay on the right, and they hooked up for a 64-yard touchdown. It marked the 20th time this season the Saints have had a one-play touchdown drive.

The Saints exploded for 21 points in the second quarter as Mackay and Willis hooked up for a 59-yard touchdown, Willis found Cur'Brian open in the end zone for a 23-yard strike and DeVuan "Boss" Jones caught a pass from Willis on the South Put 5 and raced in for the score. The last two came in a span of 2:40.

The first of those came in the wake of a Hall interception; the second after senior defensive lineman Kam Patterson and his mates

Senior quarterback Jackson Willis, who threw four Lutheran touchdown passes Friday night, fires one of those passes.

Louis Mobley (55) and fellow senior Kam Patterson celebrate Patterson's sack of South Putnam quarterback Wyatt Mullin.

With DeVuan "Boss" Jones holding, senior Nick Miller strides into one of his six conversion kicks Friday.

sacked Mullin for a nine-yard loss on a fourth-and-six at the South Put 34 with 1:42 remaining in the half. Lutheran added a 17-yard TD run by Davis in the third quarter and Davis' five-yard run on a fourth-down rush with 9:52 to play. Davis' first score ran the count to 35-0, triggering the running clock with nine minutes remaining in the third frame. Senior Nick Miller kicked all six conversions.

Though just a sophomore, Mackay said he already has a solid association with Willis.

"We have a special connection between me and Jackson," he said. "We're best buds."

"We hang out at school, get that chemistry," Willis added. "He's one of the best receivers in Indiana. We have a lot of great receivers who can get big plays. I trust them and they trust me."

The key for the defending state champions, Mackay said, is staying centered.

"We try not to get a big head," he said. "It can be difficult, carrying a big target like that sometimes. But if we just keep playing the way we are, we'll keep winning."

Helmets reflect stadium lights as Lutheran reserves wait on the sideline during Friday's home game.

## RONCALLI ROLLS ON

Roncalli (9-1) manhandled visiting Shortridge (4-5) on the opening night of the IHSAA Class 4A playoffs. The Royals waited little time in building a 43-0 halftime lead and cruising over the Blue Devils. Coach Eric Quintana substituted freely as the Royals showed off their depth. Charlie Elesner caught two TD passes from Arik Moyers. The Royals amassed 450 yards total offense. Roncalli held Shortridge to only 96 yards total offense.

(PHOTOS BY JOHN SMITH)

In a short appearance, Royals running back Luke Hansen (5) gained 183 yards on 15 carries and scored four times.

Sophomore running back Henry Adams (26) scores a touchdown after squirming his way through Shortridge players. He had 9 carries, 44-yards and scored a touchdown.

Coach Eric Quintana has pep talk with his team.

## END OF THE ROAD

The 2022 football campaign came to an end Friday for Beech Grove, Greenwood, and Christel House Manual.

(PHOTO BY JONATHAN BROADWELL)

Junior Jarron Murry (4) scores a 22-yard TD pass.

Beech Grove scored the first two touchdowns but New Castle came back with three scores to end the Hornets season Friday night in 4A Sectional 22. Jeremiah Lee scored on a five-yard touchdown in the first quarter and Skylar Thacker found junior Jarron Murry for a 22-yard TD pass in the second. All scoring took place in the first half. An intercepted pass and two fumbles proved costly for the host Hornets in their first-ever meeting against the Trojans. Beech Grove finishes 4-6. The Hornets expect to return in 2023 with Lee, Murry, linebackers Cantrell Byrd, Brayden Cruse, Brion Murray and Isaiah Carpenter, kicker/punter/defensive end Mike Fonseca, tight end Hunter Parr-Stokes, and Jaymar Davis.

The Mike Campbell era at Greenwood came to an end as Martinsville dominated the Woodmen 49-0 in a 4A Sectional mismatch. The Woodmen finished 1-9 with Campbell going 85-104 in 17 seasons at the helm. The best season under Campbell came in 2017 with 11 wins and three losses and a regional championship. Campbell becomes the athletic director at Greenwood.

Triton Central dominated Christel House Manual in a 2A Sectional game at Ray Schultz Field. The host Eagles finished 3-6.

# Center Grove, GCA boys race to state finals

By **Steve Page**  
Correspondent

Center Grove's boys advanced to the Oct. 29 IHSAA State Cross Country Finals by taking the third team spot in Saturday's semi-state meet at Blue River Park in Shelbyville. They recorded a team time of 1 hour, 19 minutes and 13 seconds.

The top six teams and top 10 individuals from non-advancing teams advanced.

The Trojans had company among those advancing to the state finals.

Greenwood Christian Academy's boys blanked Forest Park 1-0 in Saturday's Class 1A Seymour semi-state soccer championship match. The Cougars, 11-7-3, will play Park Tudor, 19-2-1, in the Oct. 29 State Finals at Carroll Stadium in the downtown Indianapolis campus of IUPUI.

Center Grove's runners will compete at the LaVern Gibson Championship Cross Country Course, located at the Wabash Valley Sports Center, 599 S. Tabortown Road in Terre Haute. Following the girls' noon start, the boys will compete at 2:30 p.m., followed by their awards ceremony.

Senior Ty Garrett led the Trojans by finishing fourth with a clocking of 15:28.7, an average of 4:58.9 per mile. Finishing just three spots back was another senior, Mimbela Parker, who timed in at 15:36.3. Junior Kyle Montgomery was 19th in 15:51.1, junior Gavin Rockwell finished 28th in 16:06.2, senior Griffin Hennessy 32nd in 16:11.4, senior Levi Farmer 44th in 16:28.9 and senior Jarret Rockwell 47th in 16:33.9.

The Perry Meridian boys placed 16th with a team time of 1:27:26. Junior teammates Luke Haggerty and James Haggerty finished 59th and 60th, respectively, with times of 16:44.4 and 16:46.1.

Franklin Central freshman Justin Reedus was 61st in 16:48.8. Sophomore teammate Emilio Leal was 76th in 17:00.1, with senior Owen Lackey 83rd in 17:05.3.

Roncalli teammates Samuel Vaught, a sophomore, and senior David Warner were 54th and 55th with respective times of 17:19.8 and 17:19.9.

On the girls' side, Franklin Central came close, but finished seventh with a team time of 1:40.83, slightly more than a minute behind sixth-place East Central.

Junior Kylie Cline placed 27th in 19:10.5, with freshman Kaitlyn Pettet 35th in 19:23.8, sophomore Savana Miller 38th in 19:27.4, sophomore Dakota Miller 76th in 20:20.0.

Center Grove (1:43.55) and Roncalli (1:45.10) placed 16th and 17th, respectively.

For Center Grove, freshman Chloe Farmer was 64th in 20:02.4, junior Lilly Brunsmann 88th in 20:37.0.

Sophomore Isabella Fuentes of Whiteland was 74th in 20:19.5.

Roncalli freshman Charlie Fletter was 96th in 20:47.7, and freshman Ava Shirley 99th in 20:50.4.

## Soccer, volleyball

Center Grove's soccer girls played all the way to Saturday's Class 3A semi-state championship round at Seymour before being ousted.

The Trojans had reached the finals by blanking Roncalli 2-0 and outscoring Evansville Reitz 4-1. The latter win was their first regional championship in four years.

In Saturday's championship match, they battled Carmel evenly before falling 1-0. The Trojans finished 17-3-2.

Noblesville, which blanked Crown Point 7-0 in the other semi-state, will play Carmel in the Oct. 29 state championship match at IUPUI's Carroll Stadium.

It was a tough day for the Trojan girls.

Center Grove's remarkable run in the volleyball season came to a battling end in Saturday's Seymour semi-state championship match.

Floyd Central prevailed by scores of 25-20, 25-21, 25-20, ending the Trojans' season at 19-17.

Center Grove had advanced by winning the Bloomington South sectional. The Trojans swept Greenwood 25-12, 25-16, 25-8, then ousted host South 23-25, 25-13, 25-20, 25-22. They swept Bloomington North 25-16, 25-18, 25-17 in the championship match.

# Lutheran girls volleyball team reaches Class A Final Four

## Saints entered playoffs with 11-17 record mostly against higher class teams

By **Al Stille**  
Editor

Lutheran's girls volleyball team entered the IHSAA Class A playoffs with a deceiving regular-season record of 11 wins and 17 losses.

For the Saints and veteran coach Kathy Anderson, this is not unusual because they traditionally compete against a multitude of teams that are above Class A. The playoff might not occur during the season, but once the playoffs begin, the Saints are well-seasoned for the playoffs.

After losing to 4A Roncalli in a Marion County tourney opener, the Saints defeated Morristown and Cascade and then swept three teams to win a Class A sectional.

Saturday, the Saints qualified for the Final Four by defeating determined White River Valley, 3-1 (25-19, 23-25, 25-17, 25-20) in the morning opener then wore down host Edinburgh 3-0 (25-19, 25-15, 25-10).

Lutheran is positioned one match win away from reaching the IHSAA State Finals.

The Saints, ranked No. 14 in Class A by MaxPreps, collide with No. 1 Tecumseh (30-4) Saturday at noon in Jasper. The winner would meet No. 2 Ft. Wayne Blackhawk Christian (32-4) or No. 5 Southwood (31-3) for the state championship.

The Saints and Tecumseh met in an early-season tourney. Tecumseh came away with a 2-0 win, 25-22, 25-15.

Lutheran is hunting for its second semistate triumph since 2010.

"We take some hits throughout the season in order for us to learn and get better so we are at our peak when the post-season comes around," Anderson said after the Saints won their seventh regional in program history.

"In the final against Edinburgh, I think it came down to us passing well and playing good defense," Anderson emphasized.

Cathryn Erwin led the Saints with 27 digs and Regan Wilson had 12 digs. Lutheran's hitters were aggressive at the net with Grace King scoring on nine kills.

In the White River Valley match, Hadleigh Filipovich led with 15 kills and Madlyn Franklin added 12 kills.

"Now, it's about survival and we have to win to stay alive," Anderson offered. "That being said, each week is an extra gift. We love being together and working hard and none of us are ready for the season to end yet."

The Saints are a combination of veteran and younger players who were not dismayed by their season record.

It took a while for everything to mesh. The Saints lost four of their first five matches this season. And were 1-3 in a pair of one-day, four-team invites on the road.

Lutheran has won 10 of its last 11 matches in a row.

Up front, the Saints are led by senior Franklin (134 kills) and juniors King (147 kills), and Brooklyn Ormsby (94 kills). Junior Hadleigh Filipovich has a team-high 194 kills is No. 2 in digs with 224.

Sophomore Irwin leads with 427 digs. Senior setter Wilson has 556 assists.

## Doyle, GCA runners run well at state

The Greenwood Christian Academy Middle School cross country team made the most of its first-ever state appearance this season. The Cougars placed 11th out of

more than 40 teams.

Luca Doyle rewrote the school's record book by finishing in a time of 10:06, placing in the top 10. Over 350 runners competed. Earlier in the season, Doyle won the Small School Invite (over 140 runners) and was the first-ever GCA county champion in any individual sport, winning the Johnson County Middle School Championship.

## ESKENAZI HEALTH PROVIDES HELPFUL SAFETY TIPS FOR OUTDOOR FALL BURNING SEASON

By **Dr. Sarah Stelzner**  
Eskenazi

Dr. Sarah Stelzner  
Pediatrician at  
Eskenazi Health

With the fall season now in full swing, many of us have been traveling to traditional fall festivals, preparing for Halloween, watching the leaves change color, appreciating a backyard bonfire and enjoying the familiar and pleasant aroma of burning leaves.

While those activities provide a clear sign that fall has arrived, doctors and nurses at the Richard M. Fairbanks Burn Center at Eskenazi Health warn that the improper use of gasoline, kerosene and other accelerants can turn a pleasant seasonal get-together into a potentially disastrous situation.

The moisture and cooler temperatures of fall make it easy to become negligent about fire danger, however, conditions can still lead to easy ignition and rapid growth of wildfires. Grass and other vegetation that has accumulated over the growing season can provide a significant fuel source for fall fires as it dries out and enters dormancy.

The National Park Service says that nearly 85 percent of wildland fires in the U.S. start because of people who are unaware of the potential dangers of starting any kind of fire outside during this time of year.

As popular as leaf burning is in many parts of the country, in some areas it's against the law, so before lighting a match to do away with unwanted fallen foliage and brush, be sure to check with the local authorities to see if you're within your rights to proceed.

Another concern in regards to burning leaves is smoke coming from those fires – especially in

enclosed areas – that may damage your health by causing asthma attacks, bronchitis, itchy eyes, headaches and runny nose, and even life-threatening complications.

This time of year the Richard M. Fairbanks Burn Center regularly sees an increase in severe and life-altering injuries resulting from individuals not paying attention while using dangerous accelerants while setting fires for a variety of reasons. Unfortunately, individuals in a hurry to create a larger fire many times learn the hard way that careless mistakes result in horrific injuries.

In addition to being cautious while setting bonfires, etc., always be careful when lighting a charcoal grill that requires an accelerant to light coals. Always keep children at a distance well away and use a protective mitt when lighting the grill, and never add more starter fluid once the coals have been lit.

Accelerants should only be stored in small quantities away from the house and always keep them in a well-ventilated area to allow fumes to dissipate.

- Prior to starting an outdoor fire, we suggest following these safety tips:
- Only burn dry material.
- Keep outdoor fires away from buildings, fences, telephone wires and trees.
- Avoid lighting fires on windy or dry days.
- Keep a bucket of water or garden hose nearby.
- Keep children and pets at a safe distance.
- Put out the fire completely with water before leaving it.

If a fire becomes out of control or someone sustains an injury from fire, call 911 immediately.

The Richard M. Fairbanks Burn Center at Eskenazi Health is verified by The American Burn Association (ABA) and the American College of Surgeons, and is recognized as one of the finest and most progressive burn centers in the United States. The Richard M. Fairbanks Burn Center is the only verified adult burn center in Indiana. For more information on burn prevention, please call the Richard M. Fairbanks Burn Center's burn prevention hotline at 1.866.339.BURN.

**GEMINI** (May 21 to June 20) Making a good first impression is important. Revealing your often hidden

sense of humor can help you get through some of the more awkward situations.

**CANCER** (June 21 to July 22) Are you taking that Cancer Crab image too seriously? Lighten up. Instead of complaining about your problems, start resolving them. A friend would be happy to help.

**LEO** (July 23 to August 22) A widening distance between you and that special person needs to be handled with honesty and sensitivity. Don't let jealousy create an even greater gap between you two.

**VIRGO** (August 23 to

September 22) Congratulations. Your handling of a delicate family matter rates kudos. But, no resting on your laurels just yet. You still have to resolve that on-the-job problem.

**LIBRA** (September 23 to October 22) You might surprise everyone by being unusually impulsive this week. But even level-headed Libras need to do the unexpected now and then.

**SCORPIO** (October 23 to November 21) A period of turmoil gives way to a calmer, more settled environment. Use this quieter time to patch up neglected

personal and/or professional relationships.

**SAGITTARIUS** (November 22 to December 21) A new relationship could create resentment among family and friends who feel left out of your life. Show them you care by making more time for them.

**CAPRICORN** (December 22 to January 19) Concentrate on completing all your unfinished tasks before deadline. You'll then be able to use this freed-up time to research new career opportunities.

**AQUARIUS** (January 20 to February 18) You're right

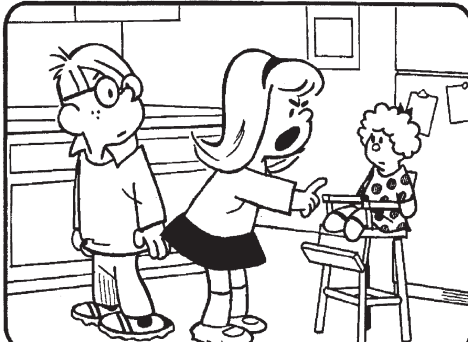

to try to help colleagues resolve their heated differences. But keep your objectivity, and avoid showing any favoritism between the two sides.

**PISCES** (February 19 to March 20) Your personal life continues to show positive changes. Enjoy this happy turn of events, by all means. But be careful not to neglect your workplace obligations.

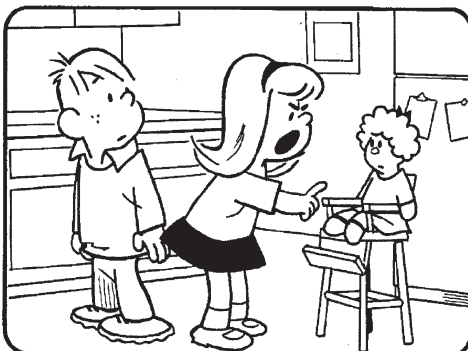

**BORN THIS WEEK:** People of all ages look to you for advice and encouragement. You would make an excellent counselor.

## UNFAILING NOVENA TO ST. JOSEPH

Glorious Saint Joseph, foster-father and protector of Jesus Christ! To you I raise my heart and my hands to implore your powerful intercession. Please obtain for me from the kind Heart of Jesus the help and the graces necessary for my spiritual and temporal welfare. I ask particularly for the grace of a happy death and the special favor I now implore. (REQUEST). Guardian of the Word Incarnate, I feel animated with confidence that your prayers in my behalf will be graciously heard before the throne of God. (REQUEST) O glorious Saint Joseph, through the love you bear to Jesus Christ, and for the glory of His name, please hear my prayers and obtain my petition. *Pray for 9 days and publish. Make sure you really want what you ask because it has never been known to fail. Trust that your prayers will be answered. E.L.*

## PRAYER TO THE BLESSED MOTHER

(Never known to fail). O most beautiful flower of Mt. Carmel, fruitful is the splendor of Heaven, blessed Mother of the Son of God, immaculate virgin, assist me in this necessity. O star of the sea help me, and show herein you are my Mother. O Holy Mary Mother of God, Queen of Heaven and Earth, I humbly beseech thee from the bottom of my heart. Succor me in this necessity, there are none that can withstand your power. O show me herein you are Mother O Mary conceived without sin, pray for us who have recourse to thee (3 times). O Holy Mary I place this cause in your hands (3 times). Thank you for your mercy to me and mine. Amen. This prayer must be said for 3 days and after 3 days your request will be granted and the prayer must be published. Thank you. E.L.
