Colts' Luck

brings healthy style to Burkhart students

(RILEY CHILDREN'S HEALTH PHOTOS)

Burkhart Elementary School third-grade students pump it up Friday with Indianapolis Colts quarterback Andrew Luck, teacher Melissa Sylvester and Dr. Paul Haunt, Riley Children's Health chief operating officer. Sylvester's class earned the visit by submitting a winning essay to the "Change the Play" program.

By Al Stilley

"It's me; I'm Andrew Luck." With those words, the famed Indianapolis Colts quarterback surprised students in Melissa Sylvester's third-grade class at Burkhart Elementary School.

Luck's visit Friday to the Perry Township school was a surprise. He walked into the Perry Township school and went to the third-grade classroom where he read to students about developing healthy ways.

Later, the revered Colts' signal-caller walked into the school's gymnasium amidst cheers and applause from all Burkhart students. He led them in arm and leg stretches and answered questions from some students.

Luck's appearance at Burkhart was in honor of Sylvester's class that submitted a winning essay as part of the Riley Children's Health "Change the Play" spring challenge.

Burkhart students took part in eight weeks of activities and were among 2,720 students and 123 teachers in the state.

"I enjoy hanging around the students," Luck said afterward. "I get a lot of energy from it. I encourage healthy living and getting out and having fun. I want to make sure they grow up healthy."

Luck added, "This (school) is a wonderful place to be (but) I think only half of them knew who I was. I had a lot of fun."

officer Dr. Paul Haut.

"We take care of kids when they get sick," Dr. Haut said. "We want to keep them from getting sick and this helps us with the message of a healthy lifestyle."

The "Change the Play" program is just one way Riley Children's Health physicians work to counter the high rates of pediatric obesity, diabetes and heart disease in Indiana.

Here is the winning essay from Sylvester's class:

"Each day our class loves to relax (or maybe just wiggle) with easy to follow videos that allow us to stretch, move, and dance! We love music, so sometimes we just play a song and move around the classroom. We talk about making healthy choices in the cafeteria by choosing yummy fruits and veggies. Mrs. Sylvester is always eating broccoli and encouraging the students to try it too on broccoli day! We share our successes from our after-school sports and gymnastics, our funny playful times at home, and winning during recess play when we share stories as a group. Our class also tries to head to the gym on cold or rainy days and get in a few minutes of physical activity during indoor recess. It's one of our favorite ways to keep moving! Our class has two mantras...I Never Give Up and I Am Successful. We say these things always, when working hard in school or when playing hard physically. We are all excited to CHANGE THE PLAY!"

Visitors restricted at Franciscan Health hospitals

With increasing numbers of measles cases being reported nationally and in Indiana, Franciscan Health is proactively implementing temporary visitor restrictions in some units at its Indianapolis and Mooresville campuses.

The policy, which went into effect Monday is vital to protect the hospitals' most vulnerable patients. Visitors who have not been vaccinated against measles, are not immune to measles, or unsure of their status, are asked not to visit the following areas and units.

Departments affected at the Indianapolis campus at South Emerson Avenue and Stop 11 Road are: neonatal, intensive care unit, pediatrics, labor and delivery, postpartum newborn nursery, oncology and bone marrow transplant.

Labor and delivery, postpartum and special care nursery are affected at the Mooresville campus.

Measles is preventable via a vaccine. Anyone who is unsure about their vaccination history should check with their healthcare provider or visit www.vaxiindia.org to access official immunization records as recorded in the Children and Hoosier Immunization Registry Program. A personal identification number (PIN) is required. The PIN can be obtained from your healthcare provider upon request.

The Centers for Disease Control reports that from Jan. 1 to May 3, 764 individual cases of measles have been confirmed in 23 states. This is the greatest number of cases reported nationally since 1994 and since measles was declared eliminated in 2000.

Jackson-Davis becomes CG's first Mr. Basketball

By Al Stilley
Editor

Indiana University recruit Trayce Jackson-Davis is Center Grove High School's first Mr. Basketball, it was announced Sunday.

The 6-9 high school senior also becomes the second consecutive Hoosier to be recruited by Indiana coach Archie Miller who snared 2018 Mr. Basketball Romeo Langford.

Jackson-Davis joins four Southsiders as Mr. Basketball: 1940-Ed Scheinbein, Southport; 1941-John Bass, Greenwood; and 1961-Dick and Tom VanArdale, Manual.

Jackson-Davis led the Trojans to their first semi-state appearance since 1972. During the recent IHSAA playoffs, he scored 25 of the Trojans' 29 points in a nail-biting win against Franklin and racked up 40 points against Bloomington South in the Seymour regional title game.

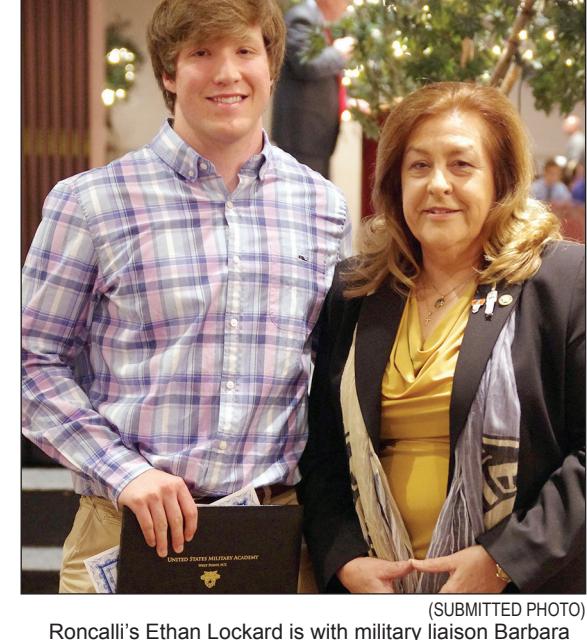

He bows out as Center Grove's career leader in scoring (1,802 points), rebounding (910) and blocked shots (323).

Roncalli's Ethan Lockard is with military liaison Barbara Campbell.

Roncalli High School senior Ethan Lockard received his official notice of admissions to the United States Military Academy at West Point, N.Y. from academy liaison officer Barbara Campbell last week at an academic awards reception.

He is the second student in the history of Roncalli to receive the honor of being admitted to West Point.

Campbell said that Lockard's credentials of athletic superiority, academic excellence and leadership will serve him well in the challenges he will encounter as a Plebe in the academy.

"All of us at Roncalli are very proud of Ethan," Roncalli Principal Chuck Weisenbach said. "He is an outstanding young man who is going to make a positive difference in the world. He will remain in our thoughts and prayers as he moves forward in his life journey to West Point."

Lockard is the son of Anne and Vincent Lockard and a member of St. Jude parish.

The four-year, fully-funded education at West Point includes health insurance and dental coverage and is valued at more than \$300,000. After four years, Lockard will be commissioned as a 2nd Lieutenant.

Campbell said 17 applicants from 202 in Indiana will report July 1 as new cadets at West Point.

SOUTH GROVE'S YOUNG BARISTA

South Grove Intermediate School fourth-grader Derek Barnhill serves as the volunteer barista at the Beech Grove school. Office assistant Heather Brown is being served her favorite coffee by the enterprising Barnhill. Spurred by his teacher, Jaclyn Kocher, the young student accepted the idea of serving staff members who love their coffee. He takes orders from them each Friday, logs the orders on his clipboard, and delivers the coffee. "I like to do jobs and I like to help people and make them happy. It makes my heart feel good to help people." Barnhill also helps teachers with their morning baskets (permission slips, notes, etc.) to the front office, the school custodian with breakfast and packs back-sack lunches on Fridays. Surrounded by all that coffee, what is his favorite beverage? Water.

Perry Perspectives

Perry Township Schools

Registration is underway at each of our kindergarten academies and preschool.

On April 29, Gov. Eric Holcomb signed a bill that changes the eligibility cutoff date for students entering kindergarten in the 2019-20 school year. Children who are turning five on or before Sept. 1, 2019 are now eligible to apply for kindergarten. Previously, a child was eligible for kindergarten if they turned five on or before Aug. 1, 2019.

The new legislation also affects preschool eligibility. If a child will turn between Aug. 2 and Sept. 1, 2019, he or she is eligible to apply for kindergarten or the Perry Township Early Childhood Academy. Children may not apply to both.

Because kindergarten academies were strategically built in four locations throughout the district, students are assigned as follows:

Home School	Kindergarten Academy
Clinton Young (if residence is north of I-465)	Jeremiah Gray Kindergarten Academy 317-782-2240
Mary Bryan Elementary	
Southport Elementary	
Clyton Young Elementary (if residence is south of I-465 & west of I-65)	Homecroft Kindergarten Academy 317-782-3020
Homecroft Elementary	
Winchester Village Elementary	
Douglas MacArthur Elementary	Douglas MacArthur Kindergarten Academy 317-782-2200
Henry Burkhardt Elementary	
Abraham Lincoln Elementary	Rosa Parks Kindergarten Academy 317-782-2280
Glenns Valley Elementary	

The Kindergarten Academy a student will attend is determined by the parent's residence, not where other siblings are enrolled.

To register, parents can visit the Kindergarten Academy that the student will attend, complete an enrollment packet, and submit the following information:

- Student's birth certificate
- Record of immunizations
- Proof of residency

Our preschool is ranked as a Level 3 provider by Paths to QUALITY™, Indiana's statewide rating system for early care and education programs. The Level 3 designation recognizes our efforts to guide child development, kindergarten preparation, and health and safety. The Pre-K curriculum helps students develop literacy and math skills to ensure they are ready to learn in kindergarten. It also introduces students to structure and builds their confidence in accepting new challenges.

For more information about registration, visit perryschools.org or 317.789.3700. The new school year starts Wednesday, July 24, 2019.

PIPPA MANN VISITS DMKA

(SUBMITTED PHOTO)

IndyCar driver Pippa Mann helped kick off the month of May by visiting the Douglas MacArthur Kindergarten Academy. The Indianapolis 500 veteran read "Race Car is Roaring" and answered the children's questions about racing. The visit was organized by Indiana Donor Network and Donate Life Indiana. Mann is a former teammate of IndyCar driver Bryan Clauson of Noblesville, who died in a racing accident in 2016 and saved five lives because he was a registered organ donor.

DISCOVERING LEGOS AT HOMECROFT

A pilot program, FIRST LEGO League Jr. Discovery Edition program at the Homecroft Kindergarten Academy is one of only 10 schools in the nation selected for the curriculum. Students Marvin Sanchez-Martinez and Sophia Biggerstaff show Perry schools Supt. Pat Mapes their LEGO project. The final event for students is an open house where they can show their work and share in problem solving with LEGOs. The FIRST program is a first step that introduces students to engineering.

HOCUS-FOCUS

BY HENRY BOLTINOFF

Find at least six differences in details between panels.

**HOROSCOPE**

ARIES (March 21 to April 19)

Although you might prefer moving forward at a steady pace, it might be a good idea to stop and reassess your plans. You could find a good reason to make a change at this time.

TAURUS (April 20 to May 20)

Just when you thought you had everything planned to the smallest detail, you get some news that could unsettle things. But a timely explanation helps put it all back on track.

GEMINI (May 21 to June 20)

Home and work continue to compete for your attention. But you handle it well by giving each its proper due. Someone you trust offers valuable advice. Listen to it.

CANCER (June 21 to July 22)

Unsettling news creates a difficult but not impossible situation. Continue to follow your planned routine, but keep your mind open to a possible change down the line.

LEO (July 23 to August 22)

Lick your wounded pride if you like, but it's a better idea to find out why your suggestions were rejected. What you learn could help you deal with an upcoming situation.

VIRGO (August 23 to September 22)

Feeling a bit listless? No wonder. You might be pushing too hard to finish everything on your to-do list. Cutting it down could help get your energy levels up.

LIBRA (September 23 to October 22)

Taking time out of your busy schedule might be the best way to handle that sensitive private matter. It will help reassure everyone involved about your priorities.

SCORPIO (October 23 to November 22)

Insist on full disclosure by all parties before agreeing to be part of a "great deal." What you learn should help you decide whether to go with it or not.

SAGITTARIUS (November 22 to December 21)

Your decision to protect the secret that was entrusted to you might irk some people. But it also wins you the admiration of those who value trust and loyalty.

CAPRICORN (December 22 to January 19)

Creative activities take on a practical approach as you realize you might be able to market your work. Ask for advice from someone experienced in this area.

AQUARIUS (January 20 to February 18)

If you're suddenly a bit unsure about your decision, ask trusted colleagues and/or friends or family members for suggestions that could help resolve your doubts.

PISCES (February 19 to March 20)

A workplace situation could get stormy. But stay on course until there's a solution that meets with everyone's approval, and things can finally calm down.

BORN THIS WEEK: You keep an open mind on most matters, making you the confidante of choice for people who need your honest counsel.

Veterans memorial to display Greenwood's gratitude

(PHOTOS COURTESY OF CITY OF GREENWOOD)
Greenwood Mayor Mark Myers, left, and retired Adjutant General Martin Umbarger break ground for the greater Greenwood Veterans Memorial.

Military veterans, first responders, political leaders and residents gathered April 29 to break ground and dedicate the Greater Greenwood Veterans Memorial at Meridian Street and Surina Way.

The memorial will feature a 16-foot granite monument with a massive bronze eagle on top, smaller pillars representing the branches of the military, benches, and memorial bricks. The centerpiece for veterans is located at Meridian Street and Surina Way just north of a proposed re-fashioned city park and south of the multiple-use redevelopment of the former Greenwood Middle School property.

The memorial grounds are designed to be a place for the community to witness the scope and depth of Greenwood's continued gratitude to veterans, police, fire and EMT personnel of the entire Greater Greenwood area.

The monument was the dream of the late Paul Totten, an honored World War II veteran who became a Greenwood business and civic leader. Totten led a drive for a memorial at a less visible site. The recipient of the Infantryman's Badge and two Bronze medals died Jan. 25, 2018.

Totten's legacy of a veterans memorial in Greenwood was picked up by Paul St. Pierre, president of Wilson St. Pierre Funeral Service and Crematory.

Totten's widow, Carla, retired Adjunct General Martin Umbarger, Greenwood Mayor Mark Myers, St. Pierre and members of the veterans memorial committee were among those in attendance.

St. Pierre and the committee are seeking sponsors and donors for the monument (\$50,000), six pillars (\$15,000 each), personalized benches (\$3,500 each) and bricks \$125 to \$175.

More volunteers may join the committee by contacting St. Pierre.

Donations can be mailed to Wilson St. Pierre funeral Service, Greenwood Chapel, 481 W. Main St., Greenwood, IN 46142 or Paul St. Pierre, 704 S. State Road 135, Greenwood, IN 46143.

Info: call 317-481-9001 or email to: pcs@wilsonstpiere.com.

Hot season continues

Senior Josh Johnson slides into third for a triple and kicks up dirt in the second inning.

Center Grove kept its hot season going with an 11-8 win over Martinsville Friday. Despite trailing 4-0 after the first inning and having to make five pitching changes the Trojans score enough runs to rally. Center Grove enters this week with a 14-2 record.

Center Grove's Alex Christie was one of five pitchers used by the Trojans in their win over the Artesians Friday.

Junior Anthony Smith bunts at the plate in the second inning of Center Grove's 11-8 win over Martinsville.

Flashes, Rebels advance to county softball semifinals

By Al Stiley
Editor

Franklin Central and Roncalli guaranteed that a Southside team will reach the Marion County softball championship game as each team won their lower bracket quarterfinal games Monday at Ben Davis.

Inspired Franklin Central spotted defending 2A state champion Speedway a run in the first inning, and then shut down the Sparkplugs for a 6-1 triumph. Heavy hitting Roncalli reached the next round by dominating Luthern 13-0 in five innings with an 8-run third inning and a two-hit shutout from junior pitcher Amber Linton.

The FC-Roncalli winner faces the Decatur Central-North Central winner for the county championship on a date and site yet to be determined. Heavy rain Saturday postponed the quarterfinals to Monday night and semifinals to Thursday.

Junior Makayla Campbell led Franklin Central with three singles and one double in four trips to the plate that produced four runs. Pitchers Hailey Pardue and Casey Mathews allowed only three hits.

The Flashes snared a 2-1 lead in the third inning on Campbell's double that scored freshmen Brenna Fink and Raigan LaMar. Campbell struck again with a two-run double in the fourth.

"We're a really good team when we hit the ball," veteran Flashes coach Kathy Stricker said. "We gave up a run early and were able to settle down and get going. Our pitching and hitting was solid."

Roncalli over-powered Luthern with 12 runs and 15 hits, including seven extra-base hits topped by sophomore Kaelin Cash's three-run home run over the left-centerfield fence in the first inning. Senior catcher Amanda Prather had two doubles that drove in four runs.

Nine Rebels collected hits that impressed coach David Lauck.

"We hit the ball well, especially to the opposite field, and that enabled us to advance our runners on base," Lauck said. "I was really pleased with our bats and our production throughout the lineup."

The Rebels did not allow a Saint beyond second base. Linton had a no-hitter until sophomore Kayla Dillinger hit a hard grounder to leftfield. Sophomore Quinn Johnson

led off the fifth with a single to leftfield but was forced out at second.

"I was able to keep them off balance at the plate and jam them on the inside," Linton said. "When my teammates scored three runs in the first, that took all the pressure off playing in a tourney game."

Three teams advance

Southport, Franklin Central and Perry Meridian captured first-round county tourney baseball games Friday.

In a Southside duel, Southport downed Lutheran 3-1 behind pitcher Jack Vanover and a home run by Avery Short. FC upended Decatur Central 2-0 as winning pitcher Matt Hall struck out 11 Hawks.

Perry Meridian edged Park Tudor, 2-1 Friday and then pounded Warren Central 10-8 Monday. Brebif defeated Southport 5-4.

Rain outs Saturday also plagued the tourney. Sites for semifinal games are to be announced. The championship game is scheduled Friday at 8 p.m., at Victory Field.

Mr. Basketball

(Continued from Page 1)

He averaged 22.0 points per game with an impressive 62 percent field goal shooting (253 of 410) and 9.4 rebounds after posting nearly similar numbers his junior year.

Jackson-Davis also brought home a gold medal last summer as a key member of the Under-18 USA basketball team. He also is a 2019 McDonald's All-American and Gatorade Player of the Year for Indiana.

He is a two-time Metropolitan Interscholastic Conference and Johnson County player of the year.

During his four-year high school career, Jackson-Davis continued to improve under CG coach Zach Hahn.

The honor was announced Sunday at the Indy Star Sports Awards event Sunday at Clowes Hall on the Butler University campus.

Beech Grove High School's basketball Hornets were named the top team of the year by fans' votes and their coach Mike Renfro was honored as coach of the year.

Renfro guided the Hornets to their first sectional championship since 2008 during an emotional season. The former Beech Grove standout as a player led daily team practices while coach Matt English struggled against cancer. English died in early December. Renfro officially was named recently as head coach for the 2019-2020 season.
