UNFAILING NOVENA TO ST. JOSEPH

Glorious Saint Joseph, foster-father and protector of Jesus Christ! To you I raise my heart and my hands to implore your powerful intercession. Please obtain for me from the kind Heart of Jesus the help and the graces necessary for my spiritual and temporal welfare. I ask particularly for the grace of a happy death and the special favor I now implore. (REQUEST). Guardian of the Word Incarnate, I feel animated with confidence that your prayers in my behalf will be graciously heard before the throne of God. (REQUEST) O glorious Saint Joseph, through the love you bear to Jesus Christ, and for the glory of His name, please hear my prayers and obtain my petition. *Pray for 9 days and publish. Make sure you really want what you ask because it has never been known to fail. Trust that your prayers will be answered. MAS*

Strange BUT TRUE

By Lucie Winborne

* Next time you're feeling stressed, try reaching for a hunk of chocolate: The sweet's smell increases theta brain waves, which triggers relaxation.

* In 1987, Marvel Comics celebrated the wedding of Spider-Man, aka Peter Parker, and his red-haired, green-eyed, longtime girlfriend Mary Jane Watson with a grand, live-action ceremony at New York's Shea Stadium. Guests of the happy couple included actors costumed as the Fantastic Four, Captain America and even the Hulk.

* Right-handed people tend to chew food on their right side, while left-handed folks are prone to chewing on their left.

PUZZLE ANSWERS ON PAGE 7!

HOROSCOPE

ARIES (March 21 to April 19) A project benefits from your organizational skills, which get it up and running. Your success leaves a favorable impression. Don't be surprised if you get some positive feedback soon.

TAURUS (April 20 to May 20) Spend time on practical matters until the end of the month. Then begin shifting your focus to more artistic pursuits. Resist being overly self-critical. Just allow yourself to feel free to create.

GEMINI (May 21 to June 20) Restarting those creative projects that you had set aside for a while will help provide a much-needed soothing balance to your hectic life. Besides, it will be like meeting with old friends again.

CANCER (June 21 to July 22) A change in plans could make it tough to keep a commitment. But stay with it. You'll get an A-plus for making the effort to do what's right and not taking the easy way out by running off.

LEO (July 23 to August 22) The Lion's enthusiasm for a workplace policy review is admirable. But be sure you know who is really behind the resistance to change before pointing your finger at the wrong person.

VIRGO (August 23 to September 22) You can expect to have a lot of work through the end of the month. Devote the rest of the week to checking your plans in case some need to be adjusted to accommodate changes.

LIBRA (September 23 to October 22) Try to avoid signing on the dotted line in the early part of the week. You need time to study issues that weren't

fully explored. The first week of next month might be more favorable for decision-making.

SCORPIO (October 23 to November 21) A new development could snarl travel schedules or other holiday projects. Some flexibility might be called for to deal with problems before they get too far out of hand.

SAGITTARIUS (November 22 to December 21) Relatives seek your advice on a matter that you'd rather not be involved in. If so, use your sage Sagittarian tact to decline the "offer" so that no one's feelings are needlessly hurt.

CAPRICORN (December 22 to January 19) A shift in planning direction might help you speed up your progress toward achieving that long-planned goal. Trusted colleagues are ready to offer some valuable support.

AQUARIUS (January 20 to February 18) An unexpected demand for the settlement of an old loan could create some holiday anxiety. But you might not really owe it. Check your records thoroughly before remitting payment.

PISCES (February 19 to March 20) It's a good time to get into the social swim and enjoy some well-earned fun and games with those closest to you before you have to resume more serious activities next week.

BORN THIS WEEK: Your ability to sense the needs of others makes you a wise counselor for those seeking help with their problems.
