For most of three quarters, Friday's Southport sectional semifinal between Decatur Central and Roncalli was glove tight, with the teams repeatedly tying the score or leading by a point or two, but not much more than that.

But with the third quarter ending and the Royals leading by three points, senior guard Drew Kegerreis knocked down a buzzer-beating, 3-pointer from the top of the key.

Roncalli, now ahead by six, suddenly had energy and momentum.

The Royals increased their lead to 12 points before the Hawks rallied, only to run out of time. Roncalli 59, DC 57.

"I'm proud of our guys," said Hawk coach Bryan Surber after the Mid-State Conference co-champs finished 14-8 and had their five-game winning streak snapped. "They could have quit when they were down 12 with three minutes to go, but they got it down to two."

It turned out to be the last game for two Hawks — seniors KC Berry, who scored 16 points, and 6-7 Ayden Lawson, who scored seven.

How close was it? The score was tied 31-31 with 2:33 left in the third quarter.

Kegerreis later hit his 3-pointer as the third quarter expired, giving the Royals a 41-35 lead. Luke Greene then hit back-to-back 3-pointers to improve the Royals' lead to 51-39 with 4:30 to play.

But with time winding down, the Hawks battled back.

With 1:42 remaining, Berry forced a turnover and the Hawks scored, 56-47. Cunningham then followed a steal with a slam dunk, 56-49 with 1:11 left. Freshman Makeil Baker, pressed into service when Melikah Cunningham fouled out with 57 seconds remaining, drove the baseline: 58-53 with 18.8 to go. Surber called timeout.

Noah Schmalz hit one of two free throws for a 59-53 Royals lead with 17.7 left.

Berry drove the lane, scored (59-55). After the Royals missed a shot, Berry grabbed the rebound and DC took another timeout with 7.5 left.

After a missed shot from the left corner, Lawson grabbed the rebound and hit a follow shot, but time ran out before Roncalli could inbound the ball.

Surber said the Royals had the upper hand after falling by 11 points to the Hawks in December.

Roncalli is playing really, really well," he said. "They were better than us tonight. I thought they really handled our pressure. They hit some timely shots. They

just did a good job not allowing us to speed the game up. They made it difficult for us to score. One of our goals going into it was we wanted to win rebounding. We missed some good looks in the first half and let them grab rebounds.

"Their coaching staff and players were a much-improved basketball team since the last time we played them."

Cunningham paced the Hawks by scoring 17 points on seven two-pointers and one 3. Eric Hopson scored 10 and Nash Sigmund hit one 3-pointer. Baker and Ty'reese Burnett added a field goal each.

Kegerreis, who hit three 3-pointers, led Roncalli with 16 points. Greene had 12, including two 3's. Noah Schmalz netted 11, including two 3-pointers. The Royals knocked down nine 3-pointers while holding the Hawks to just one.

"I'm proud of the boys," Surber said. "They fought all the way to the last."

Decatur Central defenders, including junior Ty'reese Burnett (2), freshman Nash Sigmund (13) and senior Ayden Lawson, surround Roncalli's Joe Taylor early in Friday's sectional game in the Southport Fieldhouse.

Eric Hopson, a Decatur Central junior, waits to grab a rebound during Friday's sectional semifinal with Roncalli.

Decatur Central freshman Makeil Baker puts up a running one-hander as he drives the baseline for a basket late in Friday's sectional semifinal while Roncalli's Luke Greene watches.

Former Second Lady of the United States Karen Pence expressed her support of reading and Christian education during her heartwarming visit Thursday at the original Greenwood Christian Academy campus.

"I believe in Christian education for our children," the author and former First Lady of Indiana stated. "It gives our young people the foundation of building everything upon the truth of Christ. Books educate, inspire, motivate, challenge, and encourage the reader."

Pence, a former elementary school art teacher, also emphasized, "We are celebrating the arts, introducing art materials sparks the student's creativity. Arts education is so invaluable."

Library

(Continued from Page 1.)

(SOUTHSIDER VOICE PHOTO BY AL STILLEY)
 GCA's first library at the GCA South campus is in refurbished room that served as the weight training room before move to GCA high school campus on West Main Street.

Her visit was part of GCA's dedication and celebration of its first on-campus library and an open house that displayed student artwork and provided performances by school choirs in the auditorium where refreshments were served.

However, the main attraction was the first-ever school library in a second-floor room that served as the weight training room for high school student-athletes until that part of GCA was moved in 2021 to a northern campus next door to the Community Church of Green-

wood on West Main Street. Former teacher JoEllen Weems was a catalyst for the library and called upon Greenwood Public Library, several Southside businesses, and dozens of volunteers to put together the 6,000-book library for students in kindergarten through eighth grade at the south campus at 835 West Worthsville Road.

Heretofore, teachers had some books available for students to read in their classroom, but there was no library.

"This library was two years in the making; it took many volunteers and community support," Weems said. "There really was no space for any library until the high school was moved. We are very blessed to have this completed."

Weems expressed her appreciation to Greenwood Public Library personnel who assisted in categorizing books, book fairs that were held where patrons could purchase books for the library, library shelving from the old Clark-Pleasant branch library became available, utility JCREMC donated \$6,500 in grants and former McDonald's franchise owners Pete and Melissa Wojtowicz also donated a grant.

The celebration included a short dedication attended by parents and friends in the main gymnasium where Greenwood Public Library and Johnson County libraries had information available along with books that were available to be autographed by Pence. GPL's mascot "Fable" also greeted the children.

"To see this dream become a reality is a beacon of hope and life in our community," GCA board member Stephanie Schilling praised.

Pence, the wife of former Vice President and Indiana Governor Mike Pence, also capped her day with book signings and reading to the students from her book, "Marlon Bundo: A Day in the Life of the Vice President."

Personal Recollections

By Fred Shonk & Simon

Loss of friends with Edgewood ties

I am a member of the Perry Township / Southport Historical Society. I have been a member for several years and serve on the board of directors. I have assisted in putting together and presenting a few programs.

I helped with a wonderful program about the Longacre Pool and Park and a few years later a program that remembered and honored folks from Perry Township that participated in the Indianapolis 500 Race over the years.

In 2019, we started a basketball hall of fame that is based on two blocks of Epler Avenue. It involved Epler Avenue from Madison Avenue for a couple of blocks to the west. We have a couple of various locations where we can draw candidates.

Edgewood Grade School students or staff, players of Edgewood Grade School outside basketball courts or ties to Kautsky's Grocery Store. Frank Kautsky started the very first professional basketball team based in Indiana.

The seven inductees were Paul L. Bailey, Frank Kautsky, Oral Hillebrand, Louie Dampier, Steve Downing, George McGinnis, and Pat Williams. Sadly, we have lost a couple of these in the last few months. George McGinnis passed in December 2023, and we just lost Pat Williams a couple of weeks ago.

Because of the Covid pandemic, we have not put together a second induction. We are planning one in a few months. I have been working on the list of candidates. A candidate must have a basketball connection in these two blocks and earn money later by coaching, playing, or officiating.

A few days ago, I received a telephone call from one of the candidates. It surprised me because hardly anyone but me knew of the upcoming induction. Jesse Blackwell was a student at Edgewood Grade School and Southport High School. He was a wonderful basketball player. He went on to Butler University and played for Tony Hinkle. Jesse is a retired teacher and coach.

He was calling me to get my address. He found some magazines that he thought I might find interesting. I got to tell him that a second induction was in the works, and he was on the list. I keep thinking of the odds of one of the guys on that list to surprise me with a phone call.

Others on our list of candidates includes the Van Arsdale brothers, John Wooden, Branch McCracken, Stretch Murphy, Everett Swank, Jewell Young and Fred Fechtman.

We will be posting the list and the date of the program soon. The historical society is also putting together a program to recognize and honor Perry Township School Bus drivers from the 40's, 50's and 60's. I am making a list of the school bus numbers and we are placing driver's names that connect with those bus numbers. An example is Bus #12 Norwood Epler.

A couple of weeks ago, David Ladd posted on the Southport High School Alumni Facebook page that he was looking for members who remember their school bus driver. The last time I looked, 160 members had responded.

I spoke to David on the telephone, and we are going to share some of this information. In the future, this should become a remarkably interesting and special program.

If you would like to become a member of the Perry Township Historical Society, our office is in the Perry Township Educational Center on Orinoco Avenue and our telephone number is 317-789-3979. (The office isn't always staffed. A telephone call would be better)

Shonk is a 1960 graduate of Southport High School, a '63 grad of Indiana Central College (now the University of Indianapolis) and a retired bus driver from Beech Grove Schools. He can be reached through email at fdshonk@aol.com.

Greenwood Christian Academy team members and coaches gather for celebration photo after defeating host Lutheran for a Class A sectional championship Saturday. GCA faces Odenburg Academy in a Class A regional championship game Saturday at 4 p.m. at Martinsville.

shaking dunks Friday for the Cougars against Tindley.

With 1:19 left in the title game Saturday, Ward stole the ball and scored on a lay-up as the Saints closed to 46-45. The Saints final point came on a free throw by 6-8 junior Rai'Shaun McHenry with 31 seconds left.

Cougars coach Williams reviewed the keys to victory.

"We wanted to be able to handle their defensive pressure because they are so quick and can really jump out on you on defense," Williams said. "Then we wanted to compete and win the glass (rebounds). And we wanted to guard them and keep them in front of us."

Williams also added, "We certainly didn't want them to go on big runs."

The Cougars played the way their coaches wanted.

Trailing 17-11, the Cougars went on an 8-0 run that was capped by McIntire's 3-point shot in the second quarter. GCA led 26-21 at the half as the Saints were plagued by poor free throw shooting, hitting only 1 of 7 charity tosses. The Saints closed the first half dangerously on a theft and lay-up by DeVuan Jones before the buzzer.

The two teams traded the lead four times in the second half before Taulman canned a 3-point shot for a 35-33 lead. Noah Reed's field goal gave the Cougars a 46-40 lead that prompted their fans to chant "I believe we're going to win" with 2:36 to go. It wasn't that easy as the Saints twice cut the margin to one point but never led down the stretch.

GCA's McIntire added 17 points, and Reed contributed 8 points to help lead the Cougars. Ward led the Saints with 15 points and TJ Clark added 9 points. The two teams battled evenly on the boards.

GCA reached the sectional finale by dominating Providence Cristo Rey 61-12 and Central Christian 58-21. Lutheran defeated Victory College Prep 88-41 and upended Tindley 68-41 after holding the explosive Tigers to only four points in the first quarter.

Lutheran's high-flying Ward electrified the home crowd with his variety of massive dunks, all in the Saints' dynamic fourth quarter, as the 5-11 junior surpassed the 1,000-point career mark.

"They (Tindley) talk a lot, but we've never lost to them," Ward said of the spirited rivalry. "We took this game as real personal. We don't want to lose at home."

Those last words echoed Saturday night as the Saints never got on a big run on their home court against the Cougars. Lutheran finishes 15-9. They graduate five seniors but expect to return with Ward, McHenry, Jones, Cayden Loescher, and TJ Clark for a solid nucleus.

"This is the first time we've had a full team healthy for a long time. It (depth) helped us tonight."

- Coach Jackson Williams

By Al Stilley
Editor

When Greenwood Christian Academy's boys' basketball team began its sectional week practices Feb. 26, Cougars head coach Jackson Williams could not believe his eyes.

For the first time since early December, all his Cougars were healthy. Williams' chargers finally had overcome a list of injuries that resulted in mix-and-match lineups while building a 14-7 regular season record.

The injuries were to backcourt aces: juniors Evan McIntire (broken leg) and Ben Comerford (stress fracture) and seniors Jordan Taulman (ankle) and Max Booher (hip).

For sure, there were some games

that the Cougars lost because of injuries. But the real payoff provided other Cougars with more in-season minutes, and that proved so valuable Saturday as GCA ended the Saints reign Saturday by winning the Class A Lutheran Sectional, 49-46.

"We showed depth and that's something we haven't had most of the season," third-year coach Williams said afterward. "This is the first time we've had a full team healthy for a long time. It (depth) helped us tonight."

Leading 47-46, Booher canned two free throws with 17.7 seconds left in the game. Lutheran called time-out but missed on an air-ball shot that was caught by a teammate too late for another shot.

The final buzzer touched off a celebration and trophy presentation that had been three years in the making. Two years ago, Lutheran defeated GCA (48-41) and last year edged the Cougars (61-57) in sectional title games as the Saints continued their drive to the program's first Class A state championship.

"We've been waiting three years for this one," said Booher who led the Cougars with 17 points and was the first to climb the ladder and cut down part of the net. "We wanted to make sure our defense contained LJ (Ward) and didn't let him go off on us. We knew we had to contain him."

Ward scored 26 points that included five earth-

GCA freshman Will Simons (40) challenges drive to basket by Lutheran's Cayden Loescher (10) in hard-fought Class A championship game Saturday at Lutheran. The winning Cougars used an aggressive defense that held the Saints to 46 points.

Throughout most of the Lutheran title game, GCA Cougar defenders hounded the Saints on offense. GCA's Reid Smith (32) guards Lutheran senior Armani Middlebrooks (24) closely. The Cougars won 49-46 in a thriller for their fourth sectional title.

Lutheran's LJ Ward (10) drives ahead of GCA's Max Booher (23) as the Cougar's Alieu Ceesay (13) follows. Booher scored a game-high 17 points while Ward scored 15 points for the host Saints. GCA hit 15 of 30 shots (50%) while the Saints hit a cooler 37.2%.

Center Grove claims 17th sectional title at Bloomington

By Al Stille
Editor

Favored Center Grove wasted no time in asserting its way Saturday against underdog Martinsville as the Trojans captured the 4A Bloomington North Sectional.

Coach Zach Hahn's No. 9-ranked Trojans (20-4) jumped to a 24-3 first quarter lead enroute to his fifth sectional title, more than any previous CG coach, and the program's 17th sectional trophy. CG also extended its winning streak to 14 games.

The Trojans downed Martinsville, winners of only four games, 71-30. CG led at the half, 53-19.

Jalen Bundy and Joey Schmitz each led the Trojans with 15 points apiece. Will Spellman added 10 points as 10 Trojans scored against the Artesians.

The Trojans downed Mooresville 60-37 and Bloomington North 52-38 to reach the sectional finale.

Center Grove faces rival Franklin (18-4) in a 4A regional championship Saturday at 7 p.m. at historic Southport Fieldhouse.

The Trojans and Class A Green-

wood Christian Academy emerged as the only two Southside teams to advance to regional competition. GCA (17-7) collides with Odenburg Academy (13-11) for a Class A regional title Saturday at 4 p.m. at Martinsville.

Christel House Manual surprised the 3A field in the Beech Grove Sectional by reaching the championship game against Washington. The westside Continentals dominated the Eagles 67-48 for their first sectional title since 1995.

The Eagles downed Ritter in their sectional opener 47-44 and then edged host Beech Grove 58-55 to get to the title game. Christel House Manual erased a 12-point deficit to end Beech Grove's sectional title string of three in a row, including the Hornets' historic run to the 2022 state championship.

The Eagles, Roncalli and Lutheran fell Saturday in title games.

In earlier Southside playoff games, Roncalli defeated Franklin Central and Decatur Central, Southport dominated Perry Meridian, Whiteland downed Shelbyville before falling to rival Franklin, and Greenwood fell to Bloomington North.

Center Grove senior Joey Schmitz (15) drives to the basket against a Martinsville defender while teammate Peyton Byrd (13) follows the action in the Bloomington North Sectional championship game.

REQUEST FOR PROPOSALS AND QUALIFICATIONS NEW FIRE STATION 95 PROJECT CITY OF GREENWOOD, INDIANA

I. PROJECT INTRODUCTION: In accordance with Greenwood Common Council Resolution 2023-02 and IC 5-23-5, the City of Greenwood, Indiana (the "City"), invites any and all qualified parties to submit Proposals and Statements of Qualifications ("RFPQ") to design, develop, construct, and transfer a potential new fire station (the "Project") in the City under a public-private partnership BOT Agreement (the "BOT"). The purpose and intent of the Project is to fulfill critical public safety needs for the community.

II. PROJECT SCOPE: The selected offeror will provide all design, architectural, development services, site work, labor and material to develop and construct the Project. Please note that the City has prepared a set of preliminary Project needs which have been included as Exhibit A.

The scope of the Project is not determined. The final Project scope will be determined through a scoping period with the selected offeror, during which the selected offeror will be required to provide analysis to create a final scope, design and architectural services, and a guaranteed budget. The City has acquired parcel 41-05-11-023-002.000-030 to serve as the site of the Project. Accordingly, site due diligence will need to be completed by the selected offeror to ensure adequate site access and utilities. Exhibit B provides an overview of the Project site location.

The scoping period is anticipated to be a very intense and fast-paced process, with the goal of achieving an agreed guaranteed maximum price in order to accomplish construction completion in 2026. Upon receiving satisfactory scoping period deliverables from the selected offeror, the City will move forward with the Project and selected offeror via resolution or ordinance at a public hearing to complete the construction and development of the Project.

If (1) the selected offeror is unable to produce deliverables satisfactory to the City in its sole discretion, including a desirable budget, or (2) the City determines in its sole discretion that the Project is not necessary or wise based on the results of the scoping period, then the City will begin a new scoping period with another offeror or cancel this RFPQ process altogether. In either event, the resulting scoping period deliverables will constitute works for hire and be solely owned by the City, and the City may retain the information from the scoping period deliverables for its exclusive use and benefit. Further, the City reserves the right to pursue additional or alternate procurement processes if necessary.

III. PROPOSAL EVALUATION: The City has formed a committee to review the proposals received. The criteria which will be utilized in evaluating proposals are as follows:

- 20% - Your experience developing similar projects (20%)
- 20% - Your demonstrated ability and capacity to perform the work, including your reputation as indicated by your references for performing this type of work

- 20% Experience with previous projects procured under the BOT statute

IV. PROPOSALS: Please respond to the following requests:

- Provide description of the project team
- Identify at least three (3) similar projects you have developed. Include names and telephone numbers to be used as references relative to the listed projects.
- Provide a proposed schedule for the Project, including proposed dates to start and complete construction, and to convey the improvements to the City. The final Project schedule will be developed during the scoping period, and the schedule provided in the RFPQ response is for preliminary planning and informational purposes only.
- Provide a proposed approach to scoping, design, and development of the Project.
- The scoping process may have a somewhat long duration in which time the selected offeror would need to prepare construction/scope analysis,

design-assist deliverables, pre-construction services, and a guaranteed budget sufficient for the City to make a decision on whether to proceed with the Project and/or with the selected offeror. Please identify fees that may be requested by your team during this process. You may offer hourly rates, an overall lump sum, or multiple lump sums segregated by task.

- Identify requested developer fee to be paid as part of project costs in the event the City elects, in its sole discretion, to proceed with construction and delivery following the scoping period.

V. GENERAL CONDITIONS

It should be understood that:

- The City reserves the right to reject any and all Proposals/ Statements of Qualifications at its sole discretion.
- The City does not require you to submit a certified check or other evidence of financial responsibility with your proposal.
- The scoping period fee will be an important factor in determining the selected offeror, but the most heavily weighted criteria will be the offeror's experience with similar projects.
- All offerors will be accorded fair and equal treatment with respect to any opportunity for discussion and revision of proposals. The City may enter into discussions with offerors to clarify and assure a full understanding and responsiveness of proposals.
- The City may refuse to disclose the contents of the Proposals/ Statement of Qualifications during discussions with eligible offerors.
- This Project will be procured in partnership with the selected offeror under the BOT statute. CANCER (June 21 to July 22) There's still a little emotional fuzziness you have to work through before you can feel really certain about your recent decisions. But you're on the right track. Stay with it!

LEO (July 23 to August 22) You're tempted by an offer that seems close to what you've been looking for. But before you pounce on it, see if you can coax out some added perks to sweeten the deal.

VIRGO (August 23 to September 22) Your efforts to settle a volatile situation should prove to be successful. Now could be a good time to analyze what might have created the problem in the first place.

LIBRA (September 23 to October 22) A once-close associate reemerges with news

that could cause you to reconsider a recent decision. But don't make a move before consulting a trusted adviser.

SCORPIO (October 23 to November 21) You might feel pressured to reveal a colleague's secret. But you can rely on your strong Scorpion sense of rectitude to help you continue to do the right thing.

SAGITTARIUS (November 22 to December 21) A pesky situation is still creating problems. But you are moving ahead with it, and it should soon

be successfully resolved in your favor.

CAPRICORN (December 22 to January 19) A spate of indecision leaves you susceptible to doubt. But you'll soon regain your emotional sure-footedness and be back leading the way as usual.

AQUARIUS (January 20 to February 18) Love rules the week with new romances favored for single Aquarians looking for partners. Cupid also targets renewed commitment for wedded Water Bearers.

PISCES (February 19 to March 20) A surge of creativity keeps you happily busy through the week. But set aside some quiet time

to share with loved ones. Some long-awaited news finally comes through.

BORN THIS WEEK: People rely on you whenever they need someone they can trust to be caring, considerate and also discreet.

Fast-starting Giants eliminate Royals

(SOUTHSIDER VOICE PHOTOS BY STEVE PAGE)

Conner Kesler cuts toward the lane as the Roncalli guard avoids a Ben Davis defender during Saturday's game.

By **Steve Page**
Correspondent

Roncalli did not like the fact that the first half of Saturday's IHSAA sectional championship game in the Southport Fieldhouse was lopsided.

The Royals wanted to make it sided. But Ben Davis' one-sided score was too much to overcome. The defending state champion Giants clinched their fourth consecutive sectional championship with a 50-32 victory.

"With all the adrenaline and their pressure, we were psyched up, but we had turnovers and missed easy shots," said coach

Coach Jamin Wernke directs his players during a timeout in Saturday's sectional championship game at Southport.

Jamin Wernke. "Once we settled down, we couldn't get out of the hole we dug ourselves."

But they did make it interesting for a while. The Royals, who trailed 15-4 after one quarter and 27-10 at intermission, battled back in the third quarter.

They opened the second half with an 11-6 run, trimming the deficit to 33-21 on a baseline drive by Will Hegwood with 2:31 left in the third quarter.

Once the Giants improved the lead to 14 points, they took advantage of the fact there is no running clock. So they basically just dribbled and passed the ball around, killing time. The Royals tried to pressure the Giants, but to no avail.

The game was the last for three seniors, including Drew Kegerreis, who led the Royals by scoring 11 points on two two-pointers, two 3's and a free throw. Luke Green hit one 3 and two free throws for seven points. Conner Kesler scored six points. Hegwood and Joe Taylor scored four each.

The other seniors are Elijah Miller and Charlie Elsener. Mark White scored 12 points and Mark Zackery IV added 10 to pace the balanced Ben Davis attack.

"We have kids with great character." Said Wernke. "They care about the program."

"We just couldn't get back from that far behind."

The Royals finished 15-10 in the swan song for those seniors.

Of Kegerreis, Wernke said, "He's a big deal to our program. He scored over 700 points in his career. He set the school record of made 3-pointers in a season."

Roncalli senior Drew Kegerreis soars above Ben Davis defenders Mark White (1), Mark Zackery IV (2) and Jashawn Ladd to score a third-quarter basket in Saturday's sectional championship game at Southport.

By hitting one 3 against Decatur Central on Friday and two more on Saturday, Kegerreis improved that total to 71. He surpassed the old record 68 established by Andrew Fey in 2015-16.

"He's our No. 1 option," Wernke said. "He's a guy we really look to. He's a leader on the court and off the court."

Freshman Will Hegwood drives the baseline past Ben Davis defender Mark Zackery IV for the basket that cut the Giants' lead to 33-21 in the third quarter of Saturday's sectional finale.

LuHi's Speer claims state bowling title; GCA's Heldman reaches Final Four

Riley Speer

By **Al Stille**
Editor

Lutheran's Riley Speer rolled his two best games when it counted in the recent Indiana High School Bowling State Finals at Championship Lanes in Anderson.

Speer qualified for the pressure-packed Final Four stepladder finals after firing a four-game 862 with a high game of 258 to place second to Noah Graf (866) of Floyd Central. The Final Four included Wheeler's Luca McNamara (833) and Avon's Trevar Thompson (829).

Speer raced McNamara in his first stepladder match and won 276-223. And then the Saints bowler totally dominated the championship match against Graf, 265-161.

In the girls' state finals, Greenwood Christian Academy's Emily Heldman reached the Final Four stepladder finals.

Heldman rolled a four-game 769 with a high game of 233 to reach the tension-filled stepladder finals. Heldman, also a regional singles champion, qualified with Anderson's Krista Gwynn (784), Griffith's Robin Edwards (782), and Columbus North's Alexis Jones (720).

In the stepladder, Heldman barely edged Jones, 193-189, but fell to eventual state runner-up Edwards, 203-181.

Speer led five bowlers who represented Southside high school's in the state finals singles competition at Anderson.

They were: fifth, Jordan Bauerle, Roncalli, 829; ninth, Christian Luna, Perry Meridian (778); 20th-Donnie Sutton, Beech Grove, 708; and Benjamin Burnell, Whiteland, 651.

HONORING BLACK HISTORY MONTH

(SUBMITTED PHOTOS)

In honor of black history month, the club kids at Keenan-Stahl Boys and Girls Club on Troy Ave. made posters and then a museum was created, with a wall of fame, to show the accomplishments of influential black men and women.

Retiring from Franciscan

Donise White will be retiring from Franciscan after 23 years of service. Donise worked at the Beech Grove campus and at one time, three generations of her family worked in the tech room together.

Donise White

Her mother, a retired LPN, herself and her daughter all worked side-by-side caring for patients in telemetry.

During Donise's career as a Monitor Technician, she earned her CRAT (Certified Rhythm Analysis Technician), a nationally recognized certification symbolizing dedication to patient care. She was honored with the Family Spirit Award.

As a Christian, Donise always prays for her patients and staff. She loves being a part of the team for each and every patient and loves to support the nursing staff.

In the future, Donise will continue to work PRN in the Telemetry Department. Donise enjoys spending time with her grandsons, Joshua and Jaxson and planning wonderful road trips with friends.

A celebration is planned for Donise's accomplishments on Friday, March 8, from 4:30-6:30 p.m. in the Women and Children's Conference room.
