## Strange BUT TRUE

By Lucie Winbome

\* Finnish Ph.D. students graduate in style! Along with their hard-earned diploma, they receive a sword and top hat.

\* Cherophobia is the fear of being happy.

\* Within a week of stealing 16 statues from an Indian Hindu temple, the thieves responsible believed their subsequent nightmares and bad luck were a direct result and brought back some of the property with a note asking for forgiveness – but still held on to two of the statues anyway.

\* Baby elephants suck their trunks for comfort.

\* Do you like tequila? Thank a bat. Seriously. Bats are the main pollinators of the agave plant, which is the key ingredient in tequila. No bats, no agave, no tequila!

\* If Michael Phelps were a country, he'd rank No. 35 on the all-time Olympic gold medal list, ahead of 97 countries.

\* On Jan. 20, 2022, a U.S. hacker managed to bring down North Korea's entire internet. In addition, he performed this feat in great comfort, while wearing his pajama pants, watching "Aliens" and munching on spicy corn snacks.

\* If you attended the University of Wisconsin-La Crosse, perhaps you participated in a Thanksgiving tradition known as Frozen Turkey Bowling. And yes, it's essentially what it sounds like: A bunch of folks hurling oiled frozen turkeys down a grocery store aisle at a set of bowling pins. Strange? Sure, but it raises money to combat smoking, so we're on board.

# Hawk boys look forward to promising season

By Steve Page  
Correspondent

If nothing else, this Decatur Central boys' basketball team possesses much promise. That may well be essential.

In coach Bryan Surber's first season, the Hawks finished third in the Mid-State Conference, 14-10 overall and battled Ben Davis well before falling in the Class 4A sectional tournament.

There's more.

Four of the top five scorers graduated, including the last of the Tracy brothers, Javon, and his 20-point average.

Still, Surber likes this team.

"We have good, young talent and size," he said prior to a preseason workout in Dan Rather Gymnasium. "It should be interesting. I think our size, with a mixture of athleticism – they all move well. Size, length and athleticism."

Surber is correct about that.

He took a look at some of those promising players.

"KC Berry (6-0) is a two-year returning starter," Surber said.

Berry was the No. 3 scorer last season, averaging 10.7 points. The 180-pound Berry was the football team's leading running back in the season just completed, averaging 7.4 yards per rush as he totaled 711 yards and scored two touchdowns.

"Anthony Ball is a transfer from Beech Grove," continued Surber. "He's a four-year starter, 6-6."

As a junior, Ball averaged 15.2 points and 8.9 rebounds, and was a key cog in the Hornets' run to the Class 3A state championship.

"Steven Rogers (6-7) is a senior who played JV last year. We're expecting big things. He's grown as a player. Raekwon Cunningham (6-1 senior) played some last year. Aycen Stevens (6-5 senior) made a late decision. I'm glad he's here. He started the last month or so as a sophomore, then had injuries. He has leadership and size."

Though he did miss much of the football season, the 230-pound Stevens finished where he started, at linebacker.

"Eric Hobson (6-1) is a sophomore who started for us the last half of last year," Surber said. "Andrew Lawson (6-6) has some varsity experience from last year. We have two other

sophomores: Malikhah Cunningham (6-4) and Ty' Reese Burnett (6-3). They have developed over the summer."

They have done so under the direction of Surber and his assistants.

New to the staff is Michael Brown.

"He's the brother of my assistant Matt," Surber explained. "He was at Hobart." Also new is Dave Stinson, who comes from Mooresville.

Others on the staff are junior varsity coach Noah Ray, freshman coach Tony Tate and freshman assistant Steve Smith.

They'll be busy coaching games very soon. DC opens the season at 7:30 p.m. Nov. 22 by hosting Christel House Manual. After hosting

Mt. Vernon (Fortville) on Nov. 29, the Hawks open the Mid-State Conference portion of their season by traveling to Franklin at 7:30 p.m. Dec. 2.

"I think the Mid-State has always been a good conference," Surber said. "No matter who you're playing, it's always a battle."

"Franklin made a deep run last year. With what they have coming back, they'll be tough. That's our first conference game. Whiteland and Plainfield are always good. Hopefully, we'll be ready."

"I'm excited about it. We've got to have a lot of things go our way."

# Hawk wrestlers find strength in numbers

*"We have a lot of talent, enthusiasm, athleticism. They're eager to learn. They're catching onto the stuff we're teaching."*

– Aaron Schlueter, wrestling coach

By Steve Page  
Correspondent

Talent, enthusiasm and athleticism.

Multiplied by 63.

That's the number of wrestlers Decatur Central coach Aaron Schlueter has on hand going into the new season.

"Pre-Covid, we had 45 kids," Schlueter said. "Now, we're back to those numbers."

And well beyond, thanks, in part, to the addition of more than a dozen girls who now have their own season and postseason.

"Our numbers are really exciting," Schlueter said. "We have 15 more this week, bringing our total to 80."

"We have a lot of talent, enthusiasm, athleticism. They're eager to learn. They're catching onto the stuff we're teaching."

"We have more than 16 girls on the roster. I'm ecstatic. They're planning things together,

developing relationships."

All with the idea of advancing in the postseason.

Following one practice session, the coach had the wrestlers take a bracket such as they would have at the end of a tournament, then take the top step on the podium while teammates took their pictures, mimicking the routine of postseason tournaments. Just so they would get to enact that experience.

"We're real athletic, and they're

listening well, trying their best to develop," Schlueter continued.

"The girls focus on their own direction. They set goals. That's our goal – to reach them."

Schlueter coaches both the boys and girls, but he has help aplenty.

"I have an excellent staff," he noted. "My associate head coach is Absalom Bryant. It helps with Bryant here to recruit kids in the hall."

"Our JV head coach is Tyler Belanger. We also have Peter Sells. Conner Alcalá is a state qualifier. Mark Everman is a sectional winner. Jasmine Hermosillo is going to come around and help with the girls. That's very exciting for Decatur wrestling."

The Hawks are coming off a pretty exciting 2021-22 season.

Last year, three seniors qualified for the Mooresville sectional. Peter Sells was fourth at 195 pounds. Casey Chisham was fifth at 138 and Keith Quinelle fifth at 160.

Sophomore David Oyebo took third at 152 in the sectional and third at

# Greenwood Airport earns prestigious Airport of the Year honor

(SUBMITTED PHOTOS)

Aviation Indiana Executive Director Bart Geisler, left, presents 2022 Airport of the Year plaque to Greenwood Mayor Mark W. Myers, and airport manager Rick Ferrill, right.

By Al Stilley  
Editor

Indy South Greenwood Airport is Aviation Indiana's 2022 Airport of the Year.

Consistently developed and expanded since city ownership in 1984, the airport is a strong factor in the economic development and aviation education on the Southside. Aviation Indiana also recognized the airport for its community outreach, airport promotion, safety and security, environmental improvements and aesthetics, networking and professional development and administration.

"Having an award-winning airport is not something we take for granted," Greenwood Mayor Mark W. Myers stated in a press release. "Indy South Greenwood Airport is an important asset for our city and a critical business resource for economic development."

Myers emphasized, "With no landing or ramp fees, our airport allows business leaders and pilots to regularly fly to Greenwood with easy access to central Indiana."

Estimates reveal that the airport has more than \$15 million in area economic impact and oversees nearly 28,000 aircraft operations annually.

As Myers pointed out, the airport does not charge landing or ramp fees or receives any tax-base support for operations.

Rick Ferrill serves as the airport's manager. The Greenwood Aviation Commission provides city government oversight.

Throughout 2022, Indy South Greenwood Airport experienced accelerated growth across aircraft operations, fuel sales, on-field business and airport employment.

The airport is the home of the Indiana State Police special operations and hangar which provides a central location for police authorities to reach emergencies quickly throughout the state.

The airport houses a Civil Air Patrol, Greenwood chapter of the Experimental Aircraft Association (EAA), a charter business, maintenance services by BOLD Aviation, two aircraft sales operations, three flight schools, airplane fuel and jet fuel sales, and other businesses and organizations.

The EAA's Aeronautical Center of Technology recently opened and groundbreaking is expected soon on a ramp expansion project that will enhance educational opportunities and corporate air traffic.

One of the city's most-attended activities is the annual airport open house in late summer that attracts thousands of patrons for free airplane rides and a look at a variety of airplanes, including historic and military.

The airport's history is an integral part of Greenwood's growth and continues to attract new business and corporations to Greenwood.

Originally known as the Wheatcraft Airport in December 1946 with an all-turf runway for take-offs and landings; the airport was later named Skyway Airport and handled small aircraft.

The City of Greenwood purchased the 46-acre airport in July 1986, about nine years after a Reliever Airport Study identified the need for a reliever airport on the Southside. In 1984, the airport was added to the National Plan of Integrated Airport Systems and the city's first Board of Aviation Commissioners was appointed by Mayor Jeanette Surina.

Since then, the airport has continually expanded and can land private and corporate aircraft, including jet-powered aircraft. In 1988, the airport expanded by 30 acres with new vehicular entry, new terminal building and maintenance hangar.

With state and federal grants, the airport is a first-class facility that supports recreational, business and corporate aircraft, hangars that house more than 100 small aircraft. The north-south asphalt runways are 5,102 feet long.

The airport is a fully self-sustaining operation and is located at 897 Airport Parkway, off County Line Road near I-65.

the regional before being ousted at the Evansville semi-state.

"David Oyeboode was a semi-state qualifier," Schlueter said. "He was an AAU All-American at the freshman-sophomore state. His goal is to stand on the podium at state."

"Isaac Cadwell (fifth at the sectional) has a different work ethic this year. After last summer's AAU, we're excited with all the hard work he has put in."

Schlueter watched as the wrestlers took turns in three shifts, with each group filling the mats while the others watched.

"They've been here three, four weeks," he said. "They're itching to wrestle."

The girls opened by competing at the Nov. 12 Purdue Invitational. They travel to Clinton Prairie on Nov. 19 and to Southport on Nov. 26. They then host the DC Scramble at 6 p.m. Nov. 30.

The boys opened their season at 6 p.m. Nov. 22 at Lawrence Central, host Arsenal Tech at 6 p.m. Dec. 1 and then have their own tournament at 9 a.m. Dec. 3.

FOOTBALL: SEMI-STATE CHAMPIONSHIPS

# Trojans rally their way to state finals

By Steve Page  
Correspondent

For one brief moment Friday night, it appeared déjà vu had arrived for Center Grove's football team.

As they were a month ago in their regular-season meeting with Cathedral, the Trojans were moving ahead. A month ago, they fumbled the ball away after reaching the Irish 2-yard line. Cathedral then rallied from a 16-point deficit for a 40-29 victory.

Near the end of the first half of Friday's Class 6A semi-state game at Arsenal Tech, the Trojans, leading 17-10, drove to a first-and-goal at the Irish 6.

After a pileup at the line of scrimmage, the Irish believed they had recovered another critical Trojan fumble.

But not!  
The officials ruled that Center Grove retained possession. On the next play, senior running back Micah Coyle scored from the 4. Though the conversion kick was blocked, the Trojans had a 23-10 lead.

They kept going from there, with a balanced blend of offense and defense that paved the way to a 33-10 victory.

With the win on the snowy and cold Irish home field, the fourth-ranked Trojans improved to 11-2.

Center Grove players huddle with their semi-state trophy as they pose for pictures following Friday's 33-10 victory over Cathedral on the Arsenal Tech field.

The two-time defending state champions will now play fifth-rated Carroll, 13-0, at 7 p.m. Friday in the warm confines of Lucas Oil Stadium. Cathedral finishes at 10-2 with its first loss since falling at Brownsburg in August.

So was this a game of revenge for the Trojans?

"No, it was more about really focusing," said senior defensive lineman Ryan Roehling. "We made sure we completed the fourth quarter."

After falling behind 10-0 in the first quarter, the Trojans completed the next three quarters, erupting for 23 points in the second period and adding 7 in the third quarter and a second Nolan Foley field goal in the final frame. They scored on five straight possessions.

"We took that last game personally," Trojan coach Eric Moore said of the earlier setback. "We really worked on it this week. The defensive coaches really worked on it."

They did indeed.  
Roehling and his defensive teammates sacked Cathedral quarterback Danny O'Neil seven times, made three stops on fourth down and linebacker Kaden McConnell intercepted a pass that ended a third-quarter scoring threat. In the first meeting, O'Neil went 25-43-2 for 410 yards and five touchdowns. On Friday, the Trojans limited him to seven completions in 16 attempts for 79 yards and no touchdowns.  
"Contain the quarterback with our edge guys," Roehling said of the defensive plan. "That let us pressure the middle. Our linebackers were great back there. With our defensive backs, the line could get after it. We really got after it. We were firing on all cylinders. We had the energy."

So did the offense.

The Trojans, who surrendered eight sacks of quarterback Tyler Cherry in the first meeting, gave up just one, in the first quarter.

Coyle ran for touchdowns of 4, 38, 2 and 16 yards, finishing with 218 yards on 32 rushes. Senior Jalen Thomeson added 85 yards on 18 carries and caught a Cherry pass for six yards. With that running attack, Cherry didn't have to throw much, going 3-9-0 for 43 yards. Foley kicked field goals of 26 yards in the second quarter and 39 in the fourth after the Trojans chewed up more than half of the final frame with a 14-play drive.

"All teams who run the ball run better in the cold," Coyle said. "We had a plan: Cram it down their throats. Me and the offensive line have great chemistry. It was even stronger tonight."

Lineman Austin Wiese concurred.

"After the first quarter, we had to be tougher, be more physical," said the 6-5, 300-pound senior. "That's all. Just get after it. They have big guys. We had to drive hard and score."

"In that first quarter, we didn't come out and play like we should have, physically," Moore said. "But this is a great Trojan team with a lot of perseverance. We've played great football teams all year and we knew we had to stand up and fight, and we did. I'm proud of them."

Center Grove fans and cheerleaders brave snow and temperatures in the mid-20's to cheer the Trojans on to victory in Friday's semi-state game against Cathedral at Arsenal Tech.

The snow flies as senior running back Jalen Thomeson (1) cuts behind Center Grove's offensive line after taking the ball from quarterback Tyler Cherry.

Micah Coyle, a Center Grove senior, runs away from Cathedral defender Kvuss Garrett (33) while junior teammate Noah Coy urges him on for a 38-yard touchdown Friday night.

Ryder Woolwine makes a flying tackle of Cathedral running back Carson Johnson as Center Grove's defensive line stuffs another running play Friday.

Senior running back Micah Coyle (12) follows his offensive line as it moves Cathedral blockers back during Friday's semi-state game at Arsenal Tech.

Despite the too-late effort of a Cathedral blocker, Center Grove senior Ryan Roehling sacks quarterback Danny O'Neil, one of seven sacks the Trojans recorded Friday night.

## Attorneys are essential members of Eskenazi Health Care Team

By Sarah Stelzner, M.D.  
Eskenazi Health

Eskenazi Health has provided high-quality, cost-effective, patient-centered health care to Central Indiana residents for more than 160 years, and unbeknownst to many, we utilize attorneys in assisting patients with a variety of their needs.

The Eskenazi Health Medical-Legal Partnership (MLP) enhances health outcomes by helping patients manage civil legal issues that affect their health. Eskenazi Health's MLP program began 14 years ago and includes valued partners Indiana Legal Services, Faegre Drinker, the Joseph Maley Foundation, along with new partner, Taft Stettinius & Hollister.

A person's health is shaped largely by environment—where one lives, works, plays, and

learns, and here's an example of how the Eskenazi Health MLP program helps patients: A child with chronic asthma may come in for treatment, only to return to an environment filled with conditions that make the condition worse.

Thanks to the Eskenazi Health MLP, the child's physician may call upon an attorney to intervene with the landlord and get substandard living conditions upgraded, which in turn, leads to improved health for the patient.

Clinical staff can refer Eskenazi Health patients needing legal assistance directly to legal services. Our attorneys consult with clinical and non-clinical staff about system and policy barriers to care. A number of these partnerships provide their considerable knowledge and expertise to advance local and state policies that lead to safer and healthier environments.

One of the aspects of the Eskenazi Health MLP that makes it unique is unlike most MLPs across the nation, at Eskenazi Health there is no socioeconomic requirement for service and it is funded internally.

The Eskenazi Health MLP also offers assistance with housing, consumer rights, immigration, family and stability, government benefits, education law, decision making, name changes and expungement (setting aside a criminal conviction). MLP assistance is also provided in the following areas:

- Advanced care and end-of-

life services for patients in Eskenazi Health Oncology and preparation of advanced planning documents at an annual wills clinic held each summer for all Eskenazi Health patients.

• Legal guidance related to domestic and sexual assault concerns for patients seen in the Eskenazi Health Center of Hope (supported by the Indiana Criminal Justice Institute STOP program).

• Guardianship of incapacitated adults seen at the Center for Youth & Adults with Conditions of Childhood (CYACC) when a family member or friend is available to become the guardian.

According to the National Center for Medical Legal Partnerships, last year, MLPs helped more than 75,000 patients resolve legal issues that were impeding good health, trained more than 11,000 health care providers to better understand and screen patients for health-related social needs, and engaged in clinic- and policy-level projects designed to improve health and health equity for entire communities.

Patients interested in MLP services may speak with their nurse, provider or social worker at an Eskenazi Health Center or Sandra Eskenazi Mental Health Center location.

# THREE SOUTHSIDE TEAMS EYE STATE TITLES

Reigning Center Grove and Lutheran return to Lucas Oil Stadium with first-timer Whiteland after defeating semistate opponents

By Al Stilley  
Editor

Southside football is on a history-making ride all the way to Lucas Oil Stadium to compete in a record three IHSAA class championship games.

For the first time in Hoosier-land high school football history, three Southside teams - 6A Center Grove, 5A Whiteland, and 1A Lutheran - will chase state championships on same weekend.

The Southside has sent two teams to the state finals in four of the past seven seasons, including three straight seasons (2019 - 2021). In 2019, Center Grove and Lutheran fell; Center Grove and Roncalli won in 2020; and last year, Center Grove and Lutheran each won.

Roncalli fell Friday on the road at East Central in an overtime thriller, or else the Southside would have had an astounding four teams playing over the Thanksgiving holiday weekend.

There was a 28-year gap between 1988 when 3A champion Roncalli and 4A runner-up Franklin Central reached the state finals outdoors at Warren Central and 2016 when 4A Roncalli won and 6A Center Grove lost in Lucas Oil Stadium.

CG is aiming at a three-peat, Lutheran a two-peat. Whiteland is making its first trip to the state finals.

The schedule:  
Friday - 7 p.m., 6A, No. 5 Ft. Wayne Carroll (13-0) vs. No. 3 Center Grove (11-2).

Saturday - 11 a.m., 1A, No. 2 Adams Central (14-0) vs. No. 3 Lutheran (14-0).

Saturday - 7 p.m., 5A, No. 9 Valparaiso (10-3) vs. No. 2 Whiteland (12-1).

The 6A Trojans reached the title game by defeating Cathedral, 33-10, avenging a regular season loss to the Irish; 5A Whiteland downed Castle, 21-7; and 1A Lutheran overcame three rare turnovers and dumped North Decatur, 28-7.

Each of the three Southside teams reached Lucas Oil Stadium in their own special ways.

Two-time state champion Center Grove opened the season with a senior-heavy roster with several NCAA D1 recruits having graduated. Holes existed on offense and defense.

Nonetheless, coach Eric Moore and the Trojans staff bundled together another state final entry - not as flashy as last year's team but one that was as basic with the wing-T offense and steady on defense.

At North Decatur, Lutheran collided with its strongest foe of 2022. The Saints had outscored its previous playoff opponents,

210-7. Out of character, the Saints committed three turnovers and were penalized two more times than North Decatur. The Saints and previously undefeated Chargers were deadlocked 7-7 at halftime.

The second half was all Lutheran. Jackson Willis connected with DeVuan Jones on a 68-yard TD pass in the third quarter that rejuvenated the Saints. In the fourth quarter, Joe Davis scored TDs on runs of 2 and 9 yards.

Willis wound up completing 15 of 25 passes for 220 yards; Davis carried 31 times for 207 yards and 3 TDs.

Defensively, Lutheran limited ND to only 140 yards total offense. Lutheran was led by Jonny Hall with 11 tackles, Cole Snow and Jake Akins 10 apiece, and Cur' Brian Shelby and Jacob Roberts eight each, and Cameron McHaney with seven tackles and one sack.

At Castle, Whiteland claimed its first semistate championship by dominating the first half with 200 yards rushing and touchdowns by Slate Valentine, 17 yards, and Kevin Denham, 2 yards.

Running back Peyton Emberton gained 104 yards on 20 carries and Johnathan Crowley had 96 yards on 11 carries. The Warriors racked up a massive 405 yards on the ground.

At East Central, Roncalli and the host Trojans locked together in a predicted thriller.

Both teams relied on a solid ground game and tenacious defense.

The hosts won by blocking a potential game-winning field goal and later kicking the winning field goal in overtime.

Roncalli, looking for its second trip to Lucas Oil Stadium in three years, found momentum in the fourth quarter.

Trailing 21-14, Roncalli marched 80 yards in eight plays and tied the game on Luke Hansen's 4-yard TD run with 5:40 left in the game. Hansen, also a defensive back, was able to get a strip sack on EC's first play from scrimmage after the kickoff. Hansen then carried the ball nine straight times for 32 yards. However on fourth down, EC blocked Joe Parrett's 30-yard field goal attempt with 27 seconds left to force overtime.

Roncalli failed to score on three carries in OT and fumbled on fourth down to set the stage for EC's winning field goal.

Hansen finished with 204 yards and part of a senior class that went 37-4 over three seasons.

Roncalli coach praised the Royals' high expectations and senior class.

(SOUTHSIDER VOICE PHOTOS BY TANYA MOBLEY) Lutheran defensive back Cur' Brian Shelby (8) tackles North Decatur quarterback Carson Farmer (7) as Saints Kam Patterson (88) and Jonny Hall (16) close in during Class A semistate championship game.

Lutheran's defense pressures North Decatur quarterback Carson Farmer (70) throughout Class A semistate title game won by the visiting Saints, 28-7.

Senior Hunter Johnson (52) leads semistate winning celebration with Saints teammates after defeating North Decatur for second straight trip to state finals in Lucas Oil Stadium.

## DOMINANCE PAVES WAY FOR WARRIORS

By Doug Clements  
Pro Motion Photos

Asserting dominance. That is what Whiteland did against Castle in the 5A Semi-State Championship on a cold Friday night. Whiteland had only been in this position one other time in the school's history. This time, the Warriors and coach Darrin Fisher made the most of the opportunity, winning 21-7 by asserting their power game on the ground.

The Warriors relied heavily on their trademark running game. Sixty of the 62 plays were on the ground for 325 yards. Whiteland passed for only 10 yards.

Senior running backs Peyton Emberton and Jonathan Crowley combined for 200 of those yards with Slate Valentine adding 82 yards and two touchdowns.

Whiteland's defense was very stingy and allowed only 80 yards rushing and 106 passing and a lone TD.

Whiteland's defense has not given up more than 14 points in any game since September. They have allowed only three TDs and one field goal in four playoff games.

Thanks to a dominating ground game and tenacious offense, the senior-heavy Warriors will compete for the high school's first IHSAA team championship in any sport when they meet Valparaiso at Lucas Oil Stadium for the 5A title Saturday at 7 p.m.

(PHOTOS BY DOUG CLEMENTS / PRO MOTION PHOTOS) Whiteland's Jakarrey Oliver (8) sacks Castle's Michael Lane (10) for a loss in IHSAA 5A semistate game.

HERE IS A PLEASANT LITTLE GAME that will give you a message every day. It's a numerical puzzle designed to spell out your fortune. Count the letters in your first name. If the number of letters is 6 or more, subtract 4. If the number is less than 6, add 3. The result is your key number. Start at the upper left-hand corner and check one of your key numbers, left to right. Then read the message the letters under the checked figures give you.
