PLACEMENT OF PLAQUE CITES WHITELAND TRACK FOR ITS HISTORY, IMPACT

A special ceremony Sunday afternoon at revived Whiteland Raceway Park honored the karting track among the oldest in America. Current owners, Beech Grove native Andy O'Gara and wife Sarah Fisher O'Gara, unveiled the double-sided historical plaque that honors the facility's history and impact motorsports. The plaque is the 48th to be placed in the state by the Indiana Memorial Racing Association (IRMA). Dignitaries at the unveiling included Indiana Rep. Michelle Davs of Whiteland and Sen. Randall Frye, chair of the Statehouse's motorsports caucus. The karting track opened in 1960 and has been the learning grounds for many nationally famous race car drivers. The O'Gara's saved the facility from extinction in 2019 by buying it. Since then, they have improved and expanded the track with garages, office building, karting products and modern scoring tower with plans for the adjacent 25 acres north of WRP for RVs and camping. The track is open most weekday afternoons and evenings for tests and practice. WRP is at 654 N. Front St., Whiteland.

Racer Kyle O'Gara rides hot streak with three straight pavement wins

Beech Grove native Kyle O'Gara celebrates 100-lap sprint car race win Saturday night at Anderson Speedway with wife Marissa and crew members, mechanic Nick Lundgreen and crew chief Brad Larsen.

Kyle O'Gara is on the hottest streak of his open-wheel pavement racing career with three consecutive wins.

First, the 27-year-old Beech Grove native captured his first-ever win June 30 at Lucas Oil Indianapolis Raceway Park (IRP) in a 35-lap special event USAC midget car feature.

And then last Saturday at the high-banked quarter-mile Anderson Speedway, O'Gara took the 50-lap midget car feature and the prestigious 22nd annual Glenn Neibel Memorial 100-lap 500 Sprint Car Series race. Neibel's drivers won the Little 500 six times and two USAC championships.

"First one in a long time," O'Gara smiled Sunday at Whiteland Raceway Park before the unveiling of an historical marker.

"Our last double-header win was in karting about 14 years ago," he added. "But that doesn't compare in any way to last night (Saturday) at Anderson because that memorial sprint car race is so prestigious to win."

Neibel, whose engine shop was in Edinburgh, powered drivers to six Little 500 wins and two USAC championships.

At Anderson, O'Gara started the memorial race in fourth place, moved to second in one lap and took the lead nine laps later.

He won the opening midget car feature after starting third, grabbed second immediately and passed Bobby Santos on lap 10.

"I think running the midget car race helps because we need more laps up there," O'Gara said. "The midget translates to the sprint car, driving-style wise. The hundred lap sprint car race went quick and was easy."

The sprint car is sponsored by O'Gara's Irish Pub in Beech Grove and the midget car is backed by SFHR Development, Chick-fil-A, and Speedway Indoor Karting.

He still considers the five-eighths-mile paved IRP in Brownsburg as his home track "Our entire family enjoys going there (IRP) and it's close to our shop (Speedway Indoor Karting)," O'Gara said. "We battle against some of the best pavement racers in the country,

and we finally beat them."

He took his first USAC feature win at IRP by passing Bobby Santos on lap 20 and holding off Chuck Gurney in a five-lap sprint to the finish after a late-race caution.

O'Gara finished third earlier that night at IRP in a USAC sprint car race.

Kyle's dad, John O'Gara, is a former crew chief for several Indianapolis 500 drivers including Sarah Fisher who married Kyle's older brother, Andy O'Gara, a crew chief and race strategist, in 2007 at St. Roch Catholic Church. Their roots are in karting and their two kids, Zoey and Danny, race karts at Whiteland Raceway Park.

Kyle also began racing karts at WRP. He won a USAC/STARS midget car race in August 2012 at Grundy County Speedway before he started his senior year at Roncalli. Before graduating, he raced in the Indy Lights Freedom 100 at the Indianapolis Motor Speedway.

In May, Kyle was fourth in his fifth Little 500 sprint car classic at Anderson Speedway where he matched his best finish of 2020.

Through the years, Kyle has won several races but none as prestigious as Saturday's sprint car race at Anderson.

Off the track, Kyle is vice president of operations at Speedway Indoor Karting in Speedway and Daytona Beach and a managing partner at WRP.

A Roncalli High School alumnus, Kyle and his wife Marissa enjoy their home life and their two dogs.

"I'm happy where we're at; we're traveling the country as a family and doing what we love," Kyle said. "As long as I can stay in a seat in a race car, I'm happy."

SUMMER GARDENERS

Keenan-Stahl Boys and Girl Club's summer camp is in full swing. With the 90-degree heat, it has been hard to stay outside very long, but for a few of the kids, it has been a fun time watering the new garden that they planted back at the start of camp.

This is the second year that Scott's Miracle grow sales manager Krissy Stonerock, Jeff Kyles, manager of Lowes store 1191 and Ed McDuffee from American Legion Post 355 have partnered with the Keenan-Stahl advisory board to plant an outside garden.

Some of the kids had never planted or even watered veggies and plants. Once a day a group of the kids are scheduled to water and take care of the garden.

"The purpose of this program is for the kids to take care of their own plants and watch the harvest," stated Stonerock, the supervisor of the crew that built the above ground beds for the plants.

Giselle Miller, a club alum and six-year team member is in charge of the garden watering with the kids. She loves taking the kids out to pick and eat items they haven't eaten before.

"They are excited about getting their own veggies to eat after taking care of the plants", Miller stated with a smile.

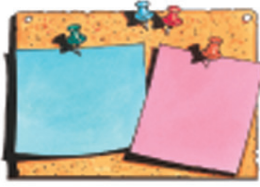

As the president of the advisory board, it is exciting and fulfilling to complete our second garden project. Being partners with the American Legion and Scott's Miracle grow has been a blessing and a very prosperous partnership.

The club kids have really enjoyed this outside adventure and has helped educate them on how to take care of plants and grow their own food. Last week they picked their first strawberry.

Personal Recollections By Fred Shonk

CONNECTING WITH FRIENDS

Over the last couple of weeks, I have enjoyed attending a couple of birthday parties and visiting with a good friend that I have known, worked with and served in the Indiana National Guard with. Jack Hickson has had some serious medical issues and is doing rehab in a nursing facility at the present time.

At Larrie (Bud) Johnson's birthday party, I reconnected with his two sisters and his brother Mick's wife, Patty. Mickey (Michael Howard) Johnson passed away, way too early. We all have missed him over the years.

Patty reminded me of one on my favorite Mickey Johnson stories. In the late 60's, my dad and I operated a couple of Sunoco service stations. He was usually at the Madison Avenue business and I worked at the station located at the intersection of Carson and Hanna avenues, both were both "full service" stations and opened at 6:00 a.m. and closed at 10:00 p.m. One morning as I arrived at work, I noticed a car parked directly in front of the main customer entry door. I immediately recognized the auto as being owned by Mickey Johnson. I walked by the car and noticed that it was empty and the keys were laying on the driver's seat.

I continued to open the station for business. I figured his car needed some repairs and was dropped off during the night. I figured that if I hadn't heard from him by 10:00 a.m., I would call him for instructions.

Around 8:00 a.m., I began hearing some noises coming from the trunk of the car. Soon those mumbling sounds became shouts of "Get me out of here!" which were interlaced with profanities. I grabbed the keys and unlocked the trunk. As the lid opened, I discovered the car's disheveled and confused owner.

I later found out that Mick and some friends were at a lively party. When it was time to leave, everyone concurred that Mick was in no shape to drive. It was decided that a friend would drive him home and another friend would follow to collect the helpful driver. Well, either Mick couldn't give proper directions to his home or he didn't want to go home in his present condition. So, they drove him to our service station and locked him in his trunk.

We had lots of fun during those years, but we also had several people who watched over us and made sure we learned and matured as we should.

A good friend of my father's was employed and served in the Indiana National Guard. This was during the Viet Nam war years. Most young guys had to either be drafted or join a branch of the service. I didn't realize for many years how much my dad's friend had to do with our National Guard service.

Jack Hickson and I were assigned to the very same Indiana National Guard Company. We completed basic training in the very same training company at Ft. Knox. We were both members of the motor pool in our unit based at Stout Field here in Indianapolis.

Larrie Johnson joined about the same time. His National Guard unit was also located in Indianapolis and was very suited to his skills. A couple of years later, his brother, Mickey joined the guard and after basic training was assigned to the same unit that Jack and I served.

As I look back on those times, I find it astounding that Jack Hickson, Mickey Johnson and Fred Shonk were serving in the very same national guard unit and motor pool. There were thousands of people serving in the Indiana National Guard at that time. Three of us that grew up within a couple of blocks of Madison Avenue ended up serving in the same nine-person motor pool.

OBITUARIES

JEROME "JERRY" A. GANTNER, peacefully went to be with the Lord on Friday, May 13, 2022 at the age of 79. Loving father of Kevin (Claribel) Gantner, Danielle "Dani" (Damon) Burney and Nick A. Gantner; dear grandfather of Ty Gantner, Sofia Burney, Gavin Burney and Natalie "Niko" Burney; brother of Stephen (Judy) Gantner and Francis (Cheryl) Gantner; beloved friend of Trudy Steiger; uncle, cousin and friend to many. Jerry loved his family. His children and grandchildren were very dear to him. Jerry also had many friends. He was the founding member of the McDerelicts. They met every morning at McDonald's to solve the world's problems, read a book, work crossword puzzles, set up their computers and tell jokes - he had a lot of one-liners. It was always the best way to start the day. He will be missed. Jerry loved sports...an avid Indianapolis 500 race fan, golfing, watching the Cardinals and Blues games, and, of course, Notre Dame football! Driving the USA in a motor coach was also high on his list, not to mention international travel. Jerry was a member of the Knights of Columbus Council #12986 at Christ Prince of Peace Catholic Church, Manchester. For years he was a monthly donor at the American Red Cross. If you can, give a pint in his name. Rest in peace, Jerry. Inurnment at Calvary Cemetery in Indianapolis, Indiana.

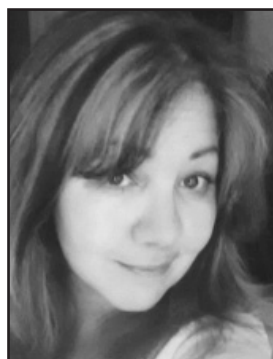

AUDREY C. GARDNER, loving mother, grandmother, great grandmother, great great grandmother and sister entered into eternal rest at the age of 87 on July 4, 2022. A resident of Indianapolis she was born on March 3, 1935 in Seco, (Letcher Co.), Kentucky to the late Bob Collins and Bertha (Hammonds) Collins. She was a member of Gray Road Baptist Church. She had worked and retired from Frito Lay. Audrey was also a hairstylist and had previously owned her own shop on the Southside of Indy called AJ's Beauty Salon. She enjoyed going out to dinner, meeting new people but most of all she loved spending time with her family. She also had a love for Lays potato chips and diet Coke. She also enjoyed shopping. She could shop for hours and had multiple closets full of clothes. She seldom wore the same thing twice. We called her a Diva because she always dressed herself up like she was going somewhere special even if it was just to the grocery store. She spoke with a good 'ol Southern accent and had the sweetest voice. That is unless she was mad or yelling at one of us. She was our mother, our grandmother, our protector and our teacher. We will miss her immensely. We have no doubt she loved her family but there's one person she loved more than life itself and that is her twin sister Edra, aka Lylie. To be a twin is to understand the bond twins have. When they were together it was as if they were one. As if the whole world shut down around them. Even though they lived in two different states they would buy similar outfits so that once they were together they could dress alike even down to the shoes and accessories. They always knew when the other was upset even when the words weren't spoken. Leaving behind to treasure her memory, Audrey is survived by her three children, Diana J. (Gary) Smith, Herlen D. Quillen and Lisa L. (Greg) Blatz; five grandchildren; six great grandchildren; one great great grandchild; siblings, Anna Sue Wright, twin sister Edra Back and brother Curt Collins. She was preceded in death by her first husband, Joe H. Quillen and second husband, Moncil K. "Bud" Gardner; siblings, Geraldine Collins, Wilma Wright, Carmel Collins, Bill Collins and Juanita Kaiser.

SAD NOTE: Audrey's son, Herlen D. Quillen passed away on July 10, 2022, six days after his Mom.
Funeral services will be conducted for Audrey and Herlen D. Quillen at 1:00 pm on July 14, 2022 at G. H. Herrmann Madison Avenue Funeral Home, 5141 Madison Avenue, Indianapolis, with visitation from 11:00 am until the time of the service. They will be laid to rest at Forest Lawn Memory Gardens. Memorial contributions may be made to the Alzheimer's Association, <https://www.alz.org>

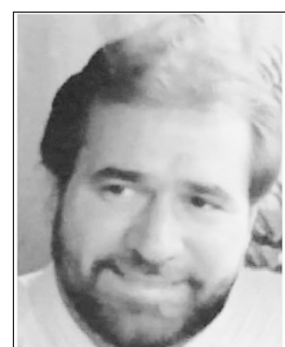

LORI ANN ROESSLER, 59, of Indianapolis, passed away on July 5, 2022, after a short battle with cancer. Lori was born in Rushville, Indiana to the late Walter and Phyllis King on May 22, 1963. Lori worked at Indiana Members Credit Union for over 30 years and wore many hats during her career. She was most recently working in the Call Center. Lori loved to sing and play guitar. She was quick witted and loved to dance. Lori enjoyed spending time in South Haven, Michigan, also known as "Rolo Soha" in the family 5th wheel with her husband, Ronnie. She was an animal lover and worked with many Animal Rescue Associates in fostering dogs. She loved to travel with her sister Michele and her nieces and nephews. She was always up for an adventure! She was a "Fashionista". She always kept up with the latest trends and also loved Interior Decorating. Lori's circle was small and if you were lucky enough to be included in it, you know she loved hard. Lori is survived by her loving husband of 15 years; Ronnie Roessler, fur babies; Wylie & Winnie, Siblings; Jeff (Jennifer) King, Michele (Jeff) Maddox and Pam (Willie) King-Rice, mother & father-in-loves; Ronald (Sandy) Roessler and Judy (Henry Friend) Taulman, nieces & nephews; Josh (Amy) Maddox, Brandon (Bunny) Maddox, Michael Roessler, Jon Clayton, Jaden King, Skylar Roessler and Shelby Roessler, along with 11 great nieces and nephews and brother-in-law, Mike (Holly) Roessler. She is preceded in death by her brother, Rick Montgomery and her fur baby, "Poppy". Services were held at O'Riley-Branson Life Celebration Home on Sunday, July 10, 2022. In lieu of flowers it was Lori's wish that you make a donation to a charity that is near and dear to your heart.

RONNEL JOE SPANGLER, age 79, of Greenwood, Indiana passed away peacefully on Monday, July 4, 2022. He was born February 21, 1943 in Beech Grove, Indiana to the late Margaret (Williamson) Spangler and Luther Spangler. Ron graduated from Franklin Central High School in 1961 and went to Purdue University for one year. He then came home to marry his high school sweetheart, Shirley Smith, on October 12, 1963 and have celebrated almost 60 anniversaries together. They have two children, Lisa and Todd, who were taught invaluable life lessons. He led by example, teaching them a good work ethic and integrity in which he conducted his business. He was a proud grandpa to five grandchildren who all held a special place in his heart and brought him joy. Ron began his career as a brick layer and then started his own business as a custom home builder. He retired from Carter-Lee Lumber as a building material salesperson. Ron was an avid fisherman and golfer and played as often as he could both here in Indiana and Florida. They had a winter home in The Villages, FL for fourteen years, which was Ron's happy place. The last few years have been increasingly difficult as Ron's Alzheimer's progressed. He had the love of his family and the grace of God to help get him through it all. Ron is survived by his wife, Shirley (Smith) Spangler; children, Lisa Collins and Todd Spangler (Lorna Waterford); sister, Lois Wagner (Gib); grandchildren, Nathan Collins, Brenna Collins, Zayne Spangler, Jaidyn Spangler, and Vance Spangler; and many nieces and nephews. Services were held Friday, July 8, 2022 at Little & Sons Funeral Home, 4901 E Stop Eleven Road, Indianapolis, Indiana 46237, followed by a Funeral Service at 7:00 PM. Ron will be laid to rest in Forest Lawn Memorial Gardens, Greenwood, Indiana at a later date.

HOROSCOPE: It's in the stars!

ARIES (March 21 to April 19) You're not Sheepish when it comes to asserting your opinions on what you think is right or wrong. Be assured that you're being heard, and something positive will follow.

TAURUS (April 20 to May 20) Your sense of justice makes it difficult not to speak up about a recurring matter involving a co-worker. But, once again, you need facts to back you up before you can act.

GEMINI (May 21 to June 20) Romance is still dominant, and if Cupid misfired before, don't worry. He'll take better aim at someone new this time around. Expect favorable news about a financial matter.

CANCER (June 21 to July 22) The zodiac's Moon Children can expect

things to work out pretty much as planned. One negative note involves a minor relationship problem that suddenly turns serious.

LEO (July 23 to August 22) You're suddenly being asked to make choices between two practically equal offers. Which one to choose? Easy. The one most likely to gladden your Lion's heart.

VIRGO (August 23 to September 22) Once again, you're confronted by a workplace problem you thought you'd already resolved. This time, you might need to go higher up to find a just resolution.

LIBRA (September 23 to October 22) Good for you: You're determined to stick with your goals and ignore those naysayers who might try to dis-

courage you. You're on the right track. The challenge now is to stay on it.

SCORPIO (October 23 to November 21) You'll soon get news that is supposed to help you with a troublesome situation. Use your sharp Scorpion instincts to determine if the information is reliable.

SAGITTARIUS (November 22 to December 21) If you learn someone has betrayed your trust, don't just accept it and walk away. You need to know why that person decided to do what he or she did.

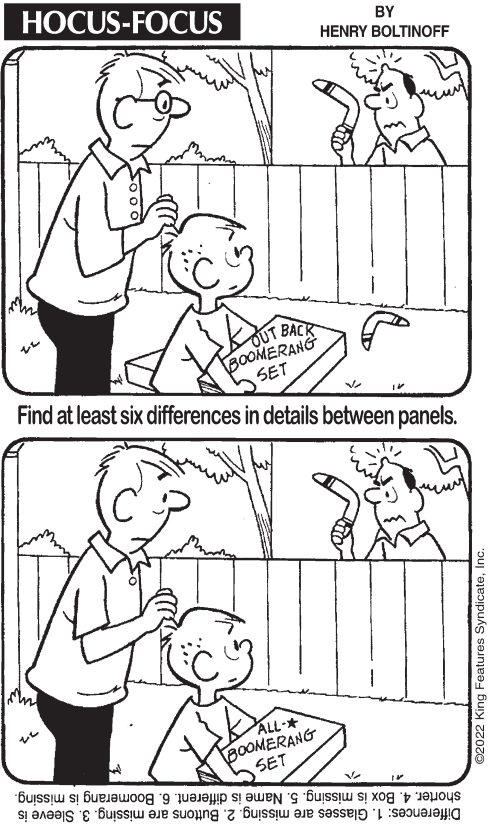

CAPRICORN (December 22 to January 19) A painful family relationship problem could finally begin to heal. Be prepared to show more flexibility than you might like. It could be worth it.

AQUARIUS (January 20 to February 18) It's a good idea to enhance your career skills so you'll be prepared to accept a more responsible position when it's offered. A friend returns a favor just when you need it.

PISCES (February 19 to March 20) Show that strong, steely backbone that you usually hide and demand to be included in any family decision-making that could affect the well-being of a loved one.

BORN THIS WEEK: You can be happy being alone at home. But you also love exploring the world outside and meeting new people.
